WHEREAS, the Board reviewed and considered the application, testimony and documents submitted therewith; and

WHEREAS, the Board also considered the input of its professionals at the hearing; and

NOW THEREFORE, the Board makes the following findings of fact, based upon the evidence presented at its public hearing, at which a record was made:

1. The Applicant is requesting minor site plan approval with no variances to construct three (3) pickleball courts adjacent to its tennis courts (Tennis court are covered a portion of the year by a seasonal air-supported “bubble” enclosure) in the northeastern corner of the Crestmont Country Club property.
2. The overall country club property is approximately 240 acres and the area of land proposed to be disturbed by the project is .23 acres.
3. The property is located in the R-2 Zone and is surrounded by residential neighborhoods and the Essex Fells Country Club, Pleasantdale Chateau and multiple houses of worship.
4. The proposed pickleball courts are over three hundred feet from the single-family residential properties which are also buffered by a wooded area that runs along the rear lot lines of those residential properties.

5. Applicant proposes to remove four (4) trees, two (2) major and (2) minor trees and will plant replacement trees on another area of the property.
6. The proposed pickleball courts are for the use of Club members only and are not open to the general public.
7. N.J.S.A. 40:55D-46.1. and N.J.S.A. 40:55D-5 govern the Board's review of the minor site plan application. N.J.S.A. 40:55D-5 defines "minor site plan" as a development plan of one or more lots which (1) proposes new development within the scope of a development specifically permitted by ordinance as a minor site plan; (2) does not involve planned development, any new street or extension of any off-tract improvement which is to be prorated pursuant to N.J.S.A. 40:55D-42; and (3) contains the information reasonably required to make an informed determination as to whether the requirements established by ordinance for approval of a minor site plan have been met." N.J.S.A. 40:55D-46.1 provides that "Minor site plan approval shall be deemed to be final approval of the site plan by the board, provided that the board or said subcommittee may condition such approval on terms ensuring the provision of improvements, pursuant to N.J.S.A. 40: 55D-38, 40:55D-39, 40:55D-41 and 40:D-53" As such if the applicant meets the standards set forth in the ordinances, the planning board lacks the authority to deny approval of the site plan. PRB Enters., Inc. v. S. Brunswick Planning Bd., 105 N.J. 1, 7 (1987); Dunkin' Donuts of N.J., Inc. v. Twp. of N. Brunswick Planning Bd., 193 N.J. Super. 513, 515 (App. Div. 1984).

NOW, THEREFORE, based upon the foregoing findings of fact, the Board reaches the following conclusions of law:

1. This application requires minor site plan approval (With no variances):

2. The proposal is to build three (3) new pickleball courts.
3. As to site plan requested waivers, items #20, 28, 34, 39, 44, 45 and 46 the Applicant provided information that there are no deed restrictions, no proposed lighting, no environmentally sensitive areas within at least 500 feet of the work area and due to the large size of the property, grade elevations and of all buildings and property corners are not provided but all relevant topographical data was shown on the plan and adjacent to the work area.
4. A waiver from submitting the Sustainability Checklist and for the requirement that Applicant submit a signed and sealed copy of the survey of the property these items are not relevant due to the very limited scope of the work and are not relevant to the proposed project.
