Ms. Chandler:

This letter serves to clarify the changes made to the architectural plans submitted to your office on Friday August 12, 2022. The endorsement block on the lower right-hand corner of the cover sheet was revised to indicate endorsements by the board of adjustment. These were the only revisions made to the plans.

We anticipate you will find our responses adequately address the areas of concern. If you have any additional questions, please feel free to call.

Very truly yours,

*Nicolas Salerno*
