WEST ORANGE

TOWNSHIP OF WEST ORANGE
ZONING BOARD

An application will be heard on January 19, 2023, at 8 PM over the virtual platform to join the meeting:
https://us06web.zoom.us/j/83028048303?
pwd=UV1U9Jg9GZV0tmcJALRC8VS7CZz9
or US Telephone: 1-646-931-3880; Webi-
nair ID: 830 2804 6303 Password: 261343; to
permit Glen and Elizabeth, c/o a "c" side yard
deficiency to exacerbate an existing "c" side yard
deficiency to construct an addition to the exist-
ing home and any other variances which may
be required by the Zoning Board for property
located at 13 Bellevue Terrace, West
Orange, NJ 07052; block 148.09; lots 16 and
17. The property is trapezoidal in shape and
11,802 square feet in area, with lot width of 95
feet and lot depth of 125 feet. The subject
property is located in an area primarily devel-
oped with single-family residences; with Eagle
Brook Reservation located a short distance to
the north. Though the lot is 95 feet wide, the
existing two-story dwelling is located close to
the southerly side yard property line creating
an undue hardship and an exceptionally tight
space for a rear addition to the dwelling. The
applicant is requesting approval of a side yard
variance to construct a one-story, first-floor
addition to the rear of an existing dwelling.
The addition is proposed to be 21 feet, 9 in-
ches wide by 9 feet, 7 inches deep; it would be
located in an existing "notch" in rear of the
house and involve extending the existing side
and rear walls of the dwelling. The proposed
addition will maintain the same line as the
existing side wall, which already encroaches
in the required side yard. However, it will be
located further from the side property line due
to the lot line angling away from the dwelling
from front to rear. The visual encroachment on
the neighboring property would be minimized
because the proposed addition would face the
rear wall of the neighbor's garage and so
would not be visible from the neighboring
property. Therefore, this variance will not be
substantially detrimental to the public good
and will not substantially impair the intent of
the zone plan and zoning ordinance.

Any persons affected by this application
(appeal) have an opportunity to be heard at
the meeting.

All documents relating to this application
may be inspected by the public in the office of
the Secretary of the Board in the Municipal
Building by appointment only. Please contact
the Secretary at 973-325-4108 to set up a
time and date to view the documents or
please see the agenda on westorange.org.
