Hi Diana,

Thanks for the call. As discussed, Sarah and Sam will send you over the affidavit package later today.

As to the name change on Dynamic's plans, we will provide testimony on the record to clarify the entity name - this should not cause any jurisdictional issues as Dynamic can always revert the name back on their plans as a condition of any approval or any resubmission.

Much appreciated,

Diana,

I will defer to Ben regarding the Applicant's name as discussed.

Sam will be circulating the noticing documents shortly.

Thank you,
