Planning Board

PLEASE TAKE NOTICE that on June 5, 2024 at 7:30 p.m. the Planning Board of the Township of West Orange (the "Planning Board" or the "Board") will hold a remote public hearing, pursuant to the instructions set forth below, in connection with property located at 25 Prospect Avenue, which property is designated as Block 151 Lot 1 on the West Orange Tax Maps (hereinafter referred to as the "Property"). The property is located in the R-2 Residential Zoning District of the Township of West Orange.

The Applicant, the Montclair Golf Club, has applied to the planning board for Preliminary and Final Site Plan Approval to demolish portions of the existing pool complex no longer in use (pool, kiddie pool, locker rooms and snack bars), to renovate and expand the existing golf shop building, and to construct a new accessory building ("halfway house") consisting of approximately 840 square feet. The Applicant also proposes to make various other site improvements, including the construction of a new golf cart staging area with golf cart parking spaces in front of the halfway house, the construction of a new golf cart driveway behind the golf building, the construction of a new parking area for 15 vehicles in front of the clubhouse, and the construction of modifications to the existing entrance drives from Prospect Avenue and the circulation drive adjacent to the caddyshack building.

The Applicant has also applied for the following variances in connection with the proposed site plan:

- A. A variance from West Orange Ordinance §25-8.1. to permit an accessory building to be 22 feet high whereas the ordinance provides for a maximum permitted height of 15 feet for accessory buildings;
- B. A variance from West Orange Ordinance §25-8.1.f to permit the expanded golf shop building to be 24 feet high whereas the ordinance provides for a maximum permitted height of 15 feet for accessory buildings; and
- C. A variance from West Orange Ordinance §25-8.4.a. to permit a 100% solid wall located in a front yard whereas the ordinance provides that walls which are no more than 50% solid are permitted in a front yard.

The Applicant also requests any other variances, approvals, waivers or exceptions that may be required or are determined to be required in connection with this application.
