Dear Jamilet,

In connection with my prior correspondence of May 29, 2024, I would appreciate it if you could advise as to the following two (2) items:

- 1) I respectfully request a waiver for any testimony from any traffic expert in that the previous Hearing on November 1, 2023, the traffic expert testified and that the report be included as part of this record in that there will be no changes whatsoever to the parking, the flow, etc.
- 2) I believe ten (10) days prior to the Hearing you will require additional hard copies of the plans as well as copies of the respective applications and electronic copies of both. To that end, please confirm the exact number so that same can be delivered to your office on a timely basis.

Very truly yours,
