GA Ms.Chandler,

As per our conversation this morning I advised you that my license number has been changed. I have changed the architectural plans to reflect my new license number. I am in the midst of having new architectural plans printed, I will sign and seal them and switch out the sets of plans for your review and processing purposes. I will also have a new flashdrive drive that will reflect the updated plans. I will be in your office this afternoon to coordinate the sets of drawings.

Any questions please let me know.

Sincerely,

William M.Brown III, FAIA
Architect
