Good afternoon Diana,

Attached here please find a letter from our office confirming the statements made on the record regarding the status of the surrounding Township owned golf course. As stated in the attached letter, the documents referenced can be provided as needed but due to their large quantity didn't want to overload your file especially since they are already all in the township's possession and control. There is no change in the contact information for the team from the last hearing but if it is easier I can send a separate email with the team and their contact information.

As far as I am aware you should have all the documents and exhibits that had been previously referenced with regard to this project. If there is anything you are missing from your file, please let me know. Thank you as always for your help on this application.

Hope all is well. Just a gentle reminder that submissions (electronic/hard copy) for the 3/19/2026 Regular Meeting are due on 3/9/2026. Kindly please advise either way so I know whether or not to expect deliveries of any kind.

Thanks!
