Subject: Re: WO ZBA - ZB-25-10 Seton Hall Preparatory (700 Prospect Avenue) - Submission

Hi Diana,

I have looked over the updated materials, and it appears that they have only added some details and notes per the engineer's requests. It doesn't look to me that they have made any changes to the application. So I don't think an updated planning review is warranted.

Thanks,

Chris

This Message is from an external sender.

Good Afternoon!

Hope all is well. Please see the link below for the most recent submission from ZB-25-10 Seton Hall Preparatory (700 Prospect Avenue). Kindly advise as to when I can expect to receive updated reports. Please be advised that this application is on the 5/28/2026 Regular Meeting Draft Agenda, and links for these files are being generated.

[5-12-2026 Submission](#)

Thanks!

Diana L. Chandler
