Program Objectives

Grant Number: 45502214

Funding Source: Older American Act Title III B

Service: Visiting Nurse

Service Definition: Services designed to maintain older persons in their own residence or community-based settings by providing skilled nursing services or therapy, thereby avoiding and deterring the need for hospitalization or institutionalization.

Service Unit: Each Visit

The Division agrees to pay the Agency the sum not to exceed \$16,127 as detailed in the 2014 approved grant.

Goal Statement: To develop and coordinate a dual community work plan to provide a comprehensive network of visiting nursing services to the target population of older adults living within the service area of the West Orange Health Department for the period of January 1, 2014 to December 31, 2014.

Objective #1: To provide 103 nursing visits to approximately 57 targeted older adults residing in the Township of West Orange and the Borough of Essex Fells service areas at a total cost of \$16,127.

<u>Municipality:</u>	<u>West Orange</u>	<u>Municipality:</u>	<u>Essex Fells</u>
Target Population:	Low Income/Frail/Elderly	Target Population:	Low Income/Frail/Elderly
Units:	102	Units:	1
Clients:	56	Clients:	1

Objective #2: To provide nursing visits to the West Orange Health Department service area and the necessary follow up visits by Public Health/Graduate Nurses designated by the lead community under the jurisdiction of the Project Director and Nursing Supervisor to include the target population of the service area. It is the intention to provide each older adult contact with a functional assessment, as well as, counseling, referral assistance, networking, education, and the monitoring of future progress during each visiting nurse contact.

Activities:

1. Promote physical health and well - being through screening, counseling and education to the older adults in our service area.
2. Individuals will receive a physical and mental assessment, screening and evaluation during each nursing visit, to develop a plan of care for each participant.
3. Subsequent to initial examination, visits will be arranged to monitor progress and effectiveness of recommended treatments.
4. Provide nursing visits to the frail, impoverished, minority and vulnerable in the service area of the West Orange Health Department.
5. Assist in administering and supervision medication and treatment, following the overall plan of care including treatment, rehabilitation medication, injection, and other medical care necessary for the evaluation of the participant's safety and comfort.

Objective #3: To provide services designed to maintain older persons in their own residence or community-based setting by providing visiting nursing services that will assist in avoiding or deterring the need for hospitalization or institutionalization.

Objective #4:

To provide for the administration of the Essex County Division of Senior Services Grant to the West Orange Visiting Nursing Service.

Activities:

1. To maintain accurate financial records of grant expenditures
2. To maintain expenditures control for the monies allocated in this grant and financial control of expenditures as required to meet Division of Senior Services auditing
3. To maintain accurate program reports and submission of such reports as required and approved by the Division of Senior Services
4. To compile and report to the Division of Senior Services all parameters of project performance programmatic goals and objectives and report such information to the participating municipality
5. To compile and report to the Division of Senior Services all parameters of all project expenditures

Objective #5: To insure that comprehensive visiting nursing services are available to the older adult population residing in the West Orange Health Department service area with specific emphasis placed on the target population criteria set by the Essex County Division of Senior Services for the period of January 1, 2014 to December 31, 2014. The program will serve older (60 plus) adults throughout the service areas and include all service components as recommended and required by the Essex County Program Specifications -- Service Definition, Components and Standards.
