LEGISLATIVE HISTORY

Although Mountain Drive was recently improved with new curb and a wider paved cartway, it is only 24 feet wide and it cannot accommodate vehicles parked on both sides. This Ordinance prohibits stopping or standing on the south and west sides of Mountain Drive for its entire length. Also, on the north and east sides stopping or standing will be prohibited near Highwood Road where Mountain Drive has several curves, and at the end of the road where stopping or standing will be prohibited to facilitate “K” turns by vehicles.

RE: **AMENDMENT TO CHAPTER 7, TRAFFIC STOPPING OR STANDING PROHIBITED**

Mayor Parisi, Council President Guarino, Ladies and Gentlemen:

Attached please find an Ordinance to amend Chapter 7, Traffic, Subsection 7-10.1, Stopping or Standing Prohibited. This proposed regulation pertains to Mountain Drive which was improved last year with curb and new pavement. However, the road is only 24 feet wide which is not adequate for parking on both sides. This Ordinance will prohibit stopping or standing on the south and west sides of the roadway for its entire length. On the north and east side, stopping or standing will be prohibited near Highwood Road where several curves in the roadway exist, and at the northerly end of the street. This road is a dead end without a turnaround and this prohibition will facilitate "K" turns by vehicles at the northerly terminus.

If you have any questions, please call me.

Very truly yours,
