LEGISLATIVE HISTORY

The Ordinance, which amends the Traffic Regulations of the Township, designates the intersections of Fairmount Terrace at Rainbow Terrace and Fairmount Terrace at Pen Bryn Road as Stop Intersections with Stop Signs to be placed on Rainbow Terrace and Pen Bryn Road. The intersections are tee intersections. Due to volume of traffic which travels on Fairmount Terrace, the Township's Engineering Division determined that traffic needed to be regulated at these intersections for the safe movement of traffic through them. The Engineering Division recommended designating these intersections as Stop Intersections with Stop Signs on Rainbow Terrace and Pen Bryn Road, the minor streets, to provide for the safe movement of traffic there. Without Stop Signs on Rainbow Terrace and Pen Bryn Road the normal right-of-way rule is not expected to provide reasonably safe operation of these intersections.
