2. Performance of the Activities shall be coordinated with a representative of Owner to minimize interference with normal operation of the Premises. All Activities shall be performed at such times and on such days of the week as Owner shall determine in its sole and absolute discretion and shall be performed in a manner that will not have any adverse effect on Owner, tenants or any other person or entity obtaining rights of use and occupancy through Owner, their respective agents, employees or invitees, or all of them.

- (d) whether the persons entering upon the Property shall be wearing any environmental protective gear; and
- (e) the estimated duration of the entry.

Entrant shall not have the right to conduct any physical, invasive testing without Owner's prior written approval, which shall be in Owner's sole and unfettered discretion. Owner shall not have any approval right with respect to any other notification provided for in this Section 7, but shall have the right to have a representative present during any such entry and to take split samples.

8. Owner shall have the right to terminate this Agreement with respect to any Property, with or without cause, and without any liability to Entrant, upon written notice to Entrant.

Consultant, or both, including without limitation any breach by a Consultant or anyone else acting on behalf of Entrant to comply with the confidentiality provisions of this Agreement. Entrant releases and covenants not to sue Owner with respect to any personal injury or property damage suffered by Entrant, Consultant, the employees, representatives, agents and/or any third party, resulting directly or indirectly, wholly or partly, from the breach, the access, the Environmental Activities or any action or non-action by or on behalf of Entrant Consultant or both unless caused by the gross negligence or willful misconduct of Owner.
