THIS AGREEMENT is made as of August 17, 2021 between **The Township of West Orange (Client)** whose address is **66 West Main Street, West Orange, NJ, 07052** and **Goose Control Technology (“Consultant” or “Contractor”)**

In consideration of the mutual covenants contained in this agreement, Client and Contractor agree as follows:

1. **Services.** Consultant agrees to provide Client with the services necessary to legally abate and control nuisance-related Canada Geese problems on the subject property located at **specified municipal properties**. Contractor agrees to perform such services under the terms and conditions set forth in this contract.

2. **Compliance with Law.** Client shall be responsible for obtaining a permit, from the United States Fish and Wildlife Service (“USFWS”), or any other state or local permitting authority, if required. Said permit(s) shall authorize the Client, as the permit holder, to engage in the lawful control, management and/or removal of Canada geese located on the Property. Upon the issuance of the permit(s), Client shall be solely responsible for the permit(s) and shall keep same on the Premises at all times. Contractor will provide all relevant records and information necessary for Client to maintain the permit(s) and ensure compliance of same.

3. **Duties.** Contractor agrees to perform any and all services, pursuant to the terms of the permit(s) and all applicable federal, state and local regulatory guidelines, necessary to reduce and or eliminate the Canada Geese population from the subject Property. These services may include harvest management programs, habit management programs, hazing/harassment programs, nest treatment and, if deemed appropriate, removal and lawful disposal of Canada geese. Contractor shall provide all equipment, materials and personnel necessary to facilitate any and all of these services. Upon Consultant’s on-site evaluation, the parties agree that the specific services to be provided in this Contract are as follows:

Removal of Resident Canada Geese @ 2 sites - \$3,500.00 for 100 geese (\$35 for each additional goose)

Permit facilitation/Record Keeping - \$250.00

4. **Term.** The duration of this Agreement shall be for one year commencing on January 1, 2022, or as the parties to this Agreement shall otherwise agree.

5. **Compensation.** As compensation for the services performed under this Agreement, the Client shall pay Contractor pursuant to the rates set forth in Paragraph 3, but the total amount paid shall not exceed the sum of **\$4,500.00** for the term of this Service Agreement. Client shall pay Contractor upon completion of selected service.

6. **Access and Security.** Client agrees that Consultant shall have reasonable access to the Property for the purpose of performing such services as described herein. Client agrees to provide the security necessary to enable Contractor to perform its services and shall take all reasonable steps to prevent any interference by third parties in the abatement program. In the event that the Contractor cannot perform its services as a result of third-party interference and through no fault of either party, Contractor shall be entitled to payment of one-half of the total sum of compensation due under the contract as provided in paragraph 5 of this Agreement.

7. **Force Majeure.** Except as otherwise provided in this Agreement, neither party shall be liable to the other for failure to perform its obligations under this Agreement due to fire, flood, strikes, or other industrial disturbances, accidents, war, acts of God or other causes beyond the reasonable control of the parties including changes in the law concerning Canada Geese control and abatement activities.

8. **Warranties and Representations.** Contractor agrees to provide conscientious, competent and diligent services and will take all reasonable and lawful steps to effectively abate the nuisance-causing geese. However, Contractor does not and cannot warrant any result or final outcome for the services that it performs herein.

9. **Relationship of Parties.** The parties intend that Contractor, in performing services specified in this Agreement, shall act as an independent contractor and shall have control of its work and the manner in which it is performed. Contractor shall be free to contract for similar services to be performed for other employers while Contractor is under contract with the Client. Contractor is not to be considered an agent or employee of Client and is not entitled to participate in any pension plans, bonus, stock, or similar benefits that Client may provide for its employees.

All work shall be performed entirely at Contractor's risk. Contractor agrees to carry, for the duration of this contract, public liability insurance in an amount, and with an insurer, acceptable to Client. **Consultant shall name the Client as an additional insured on any insurance policies in place.
