Legislative History

The purpose of this ordinance is to eliminate the prohibition upon members serving as Chairperson or Vice-Chairperson for successive years. Specifically, under the Ordinance the Board Members choose, by majority vote, the Chairperson and Vice-Chairperson every year. They should have the option of determining that a particular Board Member is suitable to serve multiple successive terms. Serving as Chairperson and/or Vice-Chairperson takes an additional time commitment for a voluntary position. Thus, over the past several years it is becoming more difficult to obtain persons who wish to serve in these leadership roles. Thus, providing this flexibility is advantageous and shall be determined of the members of the Board on an annual basis.
