**State of New Jersey
Trusted Identification
Partner for 34 Years**

IDEMIA is pleased to provide West Orange Police Department with the following price quote for the IDEMIA LiveScan System. Since 1989, IDEMIA has been the State of New Jersey AFIS provider. In 2012, IDEMIA was awarded the State of New Jersey Live Scan Contract. **This Contract is renewed through January 30, 2024 - Contract #T3083.**

Please note the purchase price of all Live Scan configurations includes on-site installation, training, three (3) years of next-day on-site support with corrective maintenance and parts replacement.

IDEMIA's fully integrated LiveScan solution provides West Orange Police Department the following features and benefits:

- ◆ Single-source vendor for all components of the Live Scan solution, including the AFIS interface
- ◆ Integrated Palmprint Capture ensures compliance with the Federal Sex Offender Registry and Notification Act (SORNA)
- ◆ Digital image capture of upper, lower and writer's palms, slaps and rolls
- ◆ Fingerprinting and mugshot capture seamlessly integrated into the same interface
- ◆ Certification to the FBI's Electronic Fingerprint Transmission Specifications
- ◆ Full compliance with New Jersey State AFIS, FBI IAFIS/NGI EBTS and ANSI/NIST image standards
- ◆ All Live Scan Systems include on-site installation and training
- ◆ Purchase price includes 3 years of next-day on-site support and parts replacement
- ◆ Eliminate all RFP associated costs by purchasing Live Scan system from the State of New Jersey State Contract

State of New Jersey Trusted Identification Partner for 34 Years

Since **1989**, IDEMIA has been the sole provider of the AFIS System in place at the New Jersey State Police. IDEMIA is the only vendor who can deliver a Live Scan system that is 100% compatible with the NJSP system. In fact, IDEMIA Live Scan systems use the same AFIS quality checking algorithms to ensure West Orange Police Department can submit the highest-quality prints to NJSP and FBI IAFIS/NGI.

Figure 1 shows a map of the state of New Jersey with IDEMIA Live Scan installations.

**650+ IDEMIA Live Scans
installed in the State of New
Jersey**

IDEMIA's ***In-State Support Organization*** is dedicated solely to the support of New Jersey customers. Our Organization includes both a Live Scan Support Team and an AFIS Support Team managed by the IDEMIA Operations Manager who is also located in New Jersey.

IDEMIA's approach to in-state support is demonstrated by our commitment to provide field resources that are located in close proximity to our customer sites. This reinforces IDEMIA's on-going commitment to customer satisfaction and the delivery of the highest level of support in the industry.

New Jersey Support Team**

****Note: Existing Lexmark Optra R, Optra S, T5xx, T620, T630, T640, T650 Series Printers or Xerox Printers are not supported with the new Live Scan System.****

Tenprint/Palm Capture with Integrated Mug Photo - Cabinet Ruggedized fixed-height

Table 1

New Jersey Comm. Code	Qty	Description	Unit Price
Item #23 204-10-083974	1	Live Scan System Cabinet (fixed-height) to include: ♦ Live Scan System Software License** ♦ Tenprint/Palm 500PPI Scanner ♦ Computer, monitor, keyboard ♦ Ruggedized fixed-height Cabinet ♦ Signature Capture Pad ♦ NJ specific transmission Software ♦ Integrated Mug Photo Capture (Digital camera, Software)	\$24,032.00
Item #37 204-96-083970	1	Duplex Black & White Fingerprint Card Printer, Double-sided card printing	\$1,421.00
		Installation / On-site Training Warranty: 1 Year On-site Advantage Solution, 9X5 (Year 1) Maintenance: 2 additional Years - On-site Advantage Solution, 9X5 (Year 2-3) Freight	Included
		Product - Total	\$25,453.00
Annual Maintenance - starting in Year 4			
Live Scan System	TPL5-OPT012-0M	Maintenance: On-site Advantage Solution, 9X5	\$2,630.00
Printer	TPL0-DFCP00-0M	Maintenance: On-site Advantage Solution, 9X5	\$175.00

Current shipment is approximately 60+ days after IDEMIA receipt of purchase order.

Live Scan System pricing includes a 1 year warranty and 2 additional years of annual maintenance. Annual Maintenance pricing shown is for Year 4.

Purchase includes **New Live Scan Software; timeframe on deployment of **New** Live Scan Software is based on a future "when released" date.

Customer Responsibilities

West Orange Police Department is responsible for the following:

- ♦ Providing necessary facility resources required for equipment installation and operation including access, space, environmental control, electrical power and networking.
- ♦ Providing a technical point of contact for IDEMIA who will be the primary person responsible for providing and/or coordinating obtainment of site installation pre-requisite information such as network information, IP addresses, power information, etc.
- ♦ Network communications: To obtain and maintain the required transmission lines and hardware for remote communications to and from the necessary agencies (to/from NJSP).
- ♦ Obtaining all required authorizations and permissions for connecting to New Jersey State Police (NJSP) AFIS. This includes establishing a network connection and user agreement with NJSP.
- ♦ Installation, testing and troubleshooting any network communication connections, lines and/ or West Orange Police Department network devices.
- ♦ Completion and return of IDEMIA pre-install documentation to IDEMIA Program Team.
- ♦ Printer supplies such as ink and toner cartridges (consumables) are West Orange Police Department responsibility. IDEMIA does not offer or resell these items.

IDEMIA's Standard Warranty and Maintenance support includes remote dial in AND on-site support services.

Assumptions

In developing this proposal, IDEMIA has made the following assumptions:

- ♦ Should West Orange Police Department desire or require the ability to interface the proposed IDEMIA LiveScan with an RMS, IDEMIA will provide West Orange Police Department an Interface Control Document (ICD) in which the West Orange Police Department RMS vendor can use to ensure compliance for the interface. If it is determined that the RMS cannot meet the requirements of the ICD, IDEMIA can analyze and quote any specific development needs required to establish the interface between the proposed IDEMIA LiveScan and the West Orange Police Department RMS.

- ◆ An inter-agency agreement between West Orange Police Department and NJSP will be in place.
- ◆ West Orange Police Department will provide all necessary communication to connect to NJSP. This includes, but is not limited to hubs, routers, modems, etc.
- ◆ **Existing Lexmark Optra R, Optra S, T5xx, T620, T630, T640, T650 Series Printers or Xerox Printers are not supported with the new Live Scan System. Please refer to Pricing Table X above for supported Printer pricing.**
- ◆ LiveScan System shipment and On-site Installation Services will be scheduled after network connectivity to NJSP has been established and verified and IDEMIA's Program team has received the completed pre-install documentation from West Orange Police Department.

Installation is contingent upon West Orange Police Department establishing a network connection and user agreement with the New Jersey State Police (NJSP). West Orange Police Department shall be responsible for the purchase and installation of all necessary external communications equipment and electrical wiring of the facilities. Permission from the NJSP is required for access to their AFIS network.

The MugPhoto system interfaces directly with the Live Scan Booking System. Front and side profile mug shots are captured through the Live Scan Software and transmitted to the New Jersey State Police's mug shot database at the same time as the tenprint fingerprint card transmission. These mug shots can then be accessed through SBI # from a CJIS terminal. The MugPhoto System features software-driven zooming (in/out) as well as an automated facial cropping feature with the option of manual cropping. The MugPhoto System allows for the capture of front and profile mug shots only (no scars/marks/tattoos) which are then transmitted with the electronic tenprint card, stored in a New Jersey State Police mug shot database, and can be retrieved locally via the West Orange Police Department CJIS terminal. An interface can be set up to store the mug shots locally, but the majority of the work in setting up this type interface will need to be completed by West Orange Police Department IT staff. IDEMIA can transmit the ANSI/NIST records to a local West Orange Police Department-specified e-mail address/server in addition to sending the transmission to the New Jersey State Police. The extraction and storage of the mug shots from the ANSI/NIST records is solely the responsibility of West Orange Police Department.

Terms

The following items are not included in the scope of IDEMIA's pricing and will be quoted based on current service rates in effect at the time of request: (a) requests for IDEMIA assistance / completion of any agency or governing body required security documentation, surveys or questionnaires; (b) requests for IDEMIA support and potential resolution of issues resulting from agency vulnerability assessments, penetration testing and/or security audits.

Additional engineering effort by IDEMIA beyond the scope of the standard product will be quoted based on our current service rates in effect at the time of the change, plus any related travel or administrative expenses. Assistance with training and questions for West Orange Police Department database or any programming, scripting, or review of programs beyond work quoted above are excluded from this offer. IDEMIA assumes that organizations requesting these utilities have advanced programming expertise and will assume all responsibility for the deployment and support of the final application.

Prices are exclusive of any and all state, or local taxes, or other fees or levies. Customer payments are due to IDEMIA within 30 days after the date of the invoice.

Product purchase shall be governed by **New Jersey State Contract #T3083**. No subsequent Purchase Order can override such terms. Nothing additional shall be binding upon IDEMIA unless a subsequent agreement is signed by both parties.

Firm delivery schedules will be provided upon receipt of a purchase order and IDEMIA receipt of completed pre-install documentation. IDEMIA reserves the right to substitute hardware of equal value with equal or better capability, based upon market availability. If, however, such equipment is unavailable, IDEMIA will make its best effort to provide a suitable replacement.

Purchase orders should include the reference **New Jersey State Contract #T3083** and should be sent to IDEMIA by electronic mail or US postal mail. Please direct all questions and order correspondence, including Purchase Order, to:
