Paula,

Please issue an emergency PO for 1,100 to Matrix and place an emergency resolution on the next Council Agenda and to this email as backup.

Allison,

You are authorized to proceed.

John- Further to our discussions concerning this proposal, if we fail to file the form by April 17, 2023, we could be subject to monetary penalties from DEP. I don't know specifically what those could be but I assume they would likely exceed the \$1,100 for this proposal. I spoke to Ms. Raser and my senior environmental attorney, neither of whom have seen DEP issue a penalty for this form being filed late but I would hate for us to be the first. I will note also that Allison Molnar had begun working on the form under her 2022 work, so completing the form will likely be less than the not to exceed amount of \$1,100. Finally, while our firm might be willing to fund this proposal and be reimbursed in order to expedite the matter, as I had considered, that would not help because Matrix needs to be authorized to file the form on behalf of the Township, as the owner of the property.

Please review and confirm if the Administration approve Matrix' proposal so Marie can proceed to complete and file the forms by April 17, 2023.

John- Further to our call yesterday, please find attached a proposal for environmental consultant services needed in connection with Remedial Action Report Transfer documents that must be filed with DEP. It is not to exceed \$1,100. Please review and advise if this can be approved by Administration and get Marie moving, as this must be filed with DEP the middle of this month.

Thank you.
