**STATE OF NEW JERSEY
DEPARTMENT OF LAW AND PUBLIC SAFETY
OFFICE OF THE ATTORNEY GENERAL
FY21 ARP AUTOMATED LICENSE PLATE READER INITIATIVE**

STATE CONDITIONS

1. **Compliance with State Laws and Regulations:** The Subrecipient agrees to comply with all requirements imposed by the New Jersey Department of Law and Public Safety (L&PS), Office of the Attorney General (OAG) concerning all federal, state, municipal laws, rules, regulations, policies, guidelines, directives, and requirements (including licenses, permits and background checks) that are generally applicable to the activities in which the Subrecipient is engaged in the performance of this grant. Failure to comply with these laws, rules, regulations, and State Department of Treasury, circulars letters (State Circular) will be grounds for termination of this subaward.
2. **Compliance with Program Guidelines:** The Subrecipient agrees that all allocations and use of funds under this grant will be in accordance with L&PS's FY21 Program Administration and Guidelines for the ARP Automated License Plate Reader Initiative Grant Program.
3. **Compliance with Grant Requirements:** Throughout the award lifecycle or even after an award has been closed, the State or the pass-through entity may discover potential or actual noncompliance with the grant agreement on the part of a recipient or subrecipient. This potential or actual noncompliance may be discovered through routine monitoring, audits, closeout, or reporting from various sources. In the case of any potential or actual noncompliance, the State may place special conditions on an award or may place a hold on funds until the matter is corrected, or additional information is provided. In the event the noncompliance is not able to be corrected by imposing additional conditions or the recipient or subrecipient refuses to correct the matter, the State disallow costs, recover funds, wholly or partly suspend or terminate the award, initiate suspension and debarment proceedings, withhold further grant awards, or take other remedies that may be legally available.
4. **Project Delays:** If a project is not operational within sixty (60) days of the original start date of the award period, the Subrecipient must report to OAG by letter the steps taken to initiate the project, the reasons for the delay, and the expected start date. If a project is not operational within ninety (90) days of the original start date of the award period, the Subrecipient must submit a second letter to OAG explaining the implementation delay. Upon receipt of the 90-day letter, OAG may cancel the project and request the federal agency approval to redistribute the funds to other project areas. Where extenuating circumstances warrant, OAG may also extend the implementation date of the project past

the 90-day period. When this occurs, the appropriate subaward files and records must so note the extension.

5. **Legal Authority for Application:** The Subrecipient assures that it possesses legal authority to apply for this subaward; that, if applicable, a resolution or similar action has been duly adopted or passed as an official act of the applicant's governing body, authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required. The Subrecipient assures that it has the institutional, managerial, and financial capability (including funds sufficient to pay any required non-federal share of project cost) to ensure proper planning, management, and completion of the project described in this application.
6. **Availability of Grant Funds:** The Subrecipient shall recognize and agree that both the initial provision of funding and the continuation of funding under this agreement are expressly dependent upon the availability of funds appropriated to L&PS by the State Legislature from state and/or federal revenue streams and other applicable funding sources. In addition, if the Attorney General deems another subrecipient's program a priority, it may affect your funding. A failure of L&PS to make any payment under this agreement or to observe and perform any condition on its part to be performed under the agreement as a result of the failure of the Legislature to appropriate funds shall not in any manner constitute a breach of the agreement by L&PS or an event of default under the agreement and L&PS shall not be held liable for any breach of the agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from L&PS beyond the duration of the award period set forth in the grant agreement. Additionally, the Subrecipient understands and agrees that, in the event funds from state or federal sources are not continued beyond the current federal grant end date by an approved extension at a level sufficient to maintain the costs of the Subaward, or in the event of a change in federal or state laws relevant to these costs, the obligations of the State of New Jersey shall be terminated immediately upon written notice to the Subrecipient. In no event shall the agreement be construed as a commitment by L&PS to expend funds beyond the termination date set forth in the grant agreement.
7. **Anti-Discrimination/Affirmative Action:** The Subrecipient assures that it will comply, and all of its contractors will comply, with the requirements of the state's anti-discrimination and affirmative action laws and regulations, including N.J.A.C. 17:27 (Equal Employment Opportunity and Affirmative Action Rules), applicable provisions of N.J.S.A. 10:5-1, et seq. (Law Against Discrimination), as amended, and all implementing regulations and state circulars as amended or superseded. Failure to comply with these laws, rules, regulations, and state circulars will be grounds for termination of this subaward.
8. **Performance Period:** The Subrecipient agrees that the work will be performed within the subaward period.

9. **Timekeeping Systems:** Subrecipient must maintain a timekeeping system which provides, at a minimum, records for all personnel charged to the grant as follows: positions, employee's name, title/rank, date hired, annual salary, total daily hours worked, hourly overtime rate, daily overtime charged to the grant, and signature of the employee, supervisor and project director regarding time charged to the grant. If an employee works solely on subgrant activities, the Subrecipient's employee and supervisor will sign a certification every six months verifying salary and wage charges to the project.
10. **No State Employee Status:** The Subrecipient understands and agrees that non-State employees or other persons performing services in connection with a subaward shall not be considered employees of the State of New Jersey for any purpose, including but not limited to, defense and indemnification for liability claims, workers compensation or unemployment.
11. **Indemnification by Non-State Agencies:** The Subrecipient agrees that it shall be solely responsible for, and shall defend, indemnify, keep, save, and hold the State of New Jersey harmless from all claims, loss, liability, expense, or damage resulting from all mental or physical injuries or disabilities, including death, to its employees or recipients of the Subrecipient's services or to any other persons, or from any damage to any property sustained in connection with the delivery of the Subrecipient's services that results from any acts or omissions, including negligence or malpractice of any of its officers, directors, employees, agents, servants or independent contractors, or from the Subrecipient's failure to provide for the safety and protection of its employees, whether or not due to negligence, fault, or default of the Subrecipient. The Subrecipient's responsibility shall also include all legal fees and costs that may arise from these actions. The Subrecipient's liability under this agreement shall continue after the termination of this agreement with respect to any liability, loss, expense, or damage resulting from acts occurring prior to termination.
12. **Release by State Agencies:** At its own expense, the Subrecipient shall be solely responsible for its defense against, and hereby releases L&PS from liability for, any and all suits, claims losses, demands, expenses, or damages of whatsoever kind or nature, arising out of or in connection with any act or omission of the Subrecipient and its employees, representatives, agents, independent contractors or invitees, related to this grant agreement.
13. **Financial Management:** The Subrecipient agrees to give L&PS and the U.S. Department of Treasury through any authorized representative, access to and the right to examine all paper and electronic records, books, papers, and documents related to the grant including pertinent accounting records, books, documents, and papers as may be necessary to monitor and audit the Subrecipient's operations. L&PS reserves the right to have access to all work papers produced in connection with audits made by the Subrecipient or independent certified public accountants, registered municipal accountants, or licensed public accountants hired by the Subrecipient to perform such audits. The Subrecipient agrees to maintain an adequate financial management system in accordance with generally

accepted principles of accounting. The Subrecipient shall maintain accurate and current financial reports, accounting records, internal controls, budget controls, and cash management procedures for receiving, holding, and expending grant funds. The Subrecipient shall maintain an accurate and complete disclosure of financial results for each subgrant in the Detailed Cost Statements, create procedures to determine allowable costs, and provide source documentation for financial records.

L&PS reserves the right to conduct audits regarding funds granted to the Subrecipient. As a requirement for further involvement in the programs, the Subrecipient shall cooperate with any such audit and make available permanent records.

The Subrecipient agrees to monitor all subawards, if applicable, for performance and fiscal integrity, including any required cash match. In addition, the Subrecipient will monitor all Subrecipients to ensure that required audits are performed.

Payments will be made to the Subrecipient in the manner determined by the L&PS and after receipt by L&PS of a properly executed copy of this grant.

14. **Accounting Records:** The Subrecipient agrees to enter, maintain, and record all grant funds received by the State for this program in accounting records separate from all other fund accounts, including funds derived from other grant awards. Subrecipient shall disburse grant funds in accordance with the provisions of the subaward throughout the project period and in accordance with conditions L&PS may require.
15. **Program Income:** Program income is defined as gross income earned by the Subrecipient from grant-supported activities. The Subrecipient must comply with State Circular 07-05-OMB and Federal program income requirements found at 2 C.F.R. §§ 200.1 and 200.307. Unless the grant provides otherwise, the Subrecipient shall have no obligation to L&PS with respect to royalties received as a result of copyrights or patents produced under the grant. All other program income earned during the grant period shall be retained by the Subrecipient and used in accordance with the allowable costs of the subaward.
16. **Advances of State Grants:** If applicable, the Subrecipient agrees that it will deposit advances of state grants in interest bearing accounts.
17. **Fund Recovery:** L&PS reserves the right to deny reimbursement of, or recover any funds considered unsupported, ineligible, or unallowable as a result of any audit, review, investigation, or monitoring.
18. **Data and Reporting Requirements:** The Subrecipient agrees that it will maintain data and information and submit timely reports, including programmatic progress and financial reports, as L&PS may require. If reports are not submitted as required, then L&PS may, at its discretion, suspend payments on this subaward. The State of New Jersey may, at its discretion, take such action to withhold payments to the Subrecipient on this or any grant

with other state agencies until the required reports have been submitted.

19. **Records Retention:** Unless otherwise directed by LP&S or state or federal statute, all grant records shall be retained for a period of seven years. This period is extended until otherwise directed if there is any litigation, claim, negotiation, action, or audit in progress and/or audit finding involving grant records started before the end of the seven-year period.
20. **Subrecipient Official File:** Subrecipients are required to maintain a master file for grant documents. The following documents must be available for on-site review by OAG program monitors and auditors:
 1. Copy of approved award package for the grant including: grant contract; Applicant Information Form; Program Narrative; Application Authorization; General and Special Conditions; copy of award letter; the Resolution; copy of deliverables; and related written approvals from OAG.
 2. Copies of all Requests for Reimbursements.
 3. Banking Information, including cash verification, receipts documentation, check register, canceled checks, and bank statements (if applicable).
21. **Compliance with Performance Goals:** The Subrecipient must assure compliance with applicable Federal requirements and that performance goals are being achieved. Subrecipient monitoring must cover each program, function, or activity to monitor performance under grant supported activities to assure time schedules and objectives are being met, projected work units by time periods are being accomplished, and other performance goals are being achieved as applicable.
 - a. The Subrecipient shall inform L&PS of the following types of conditions which affect program objectives and performance as soon as they become known:
 - i. Problems, delays, or adverse conditions which will materially impair the ability to attain program objectives, prevent meeting time schedules and goals, or preclude the attainment of project work units or established time periods. This disclosure shall be accompanied by a statement of the action taken, or contemplated, and any assistance by L&PS required to resolve the situation.
 - ii. Favorable developments or events which enable meeting time schedules and goals sooner than anticipated, at a lower than anticipated cost, or produces a greater benefit than originally planned.
 - b. L&PS may, at its discretion, make site visits to:

- i. Review program accomplishments and management control systems.
- ii. Provide such technical assistance as may be required.
- iii. Perform fiscal reviews to ensure grant funds are being properly expended in a timely manner.
- iv. Ensure compliance with all pertinent civil rights laws and regulations.

22. Budget Revisions/Grant Extensions: The Subrecipient agrees to report any Budget Revisions or Grant Extensions as follows:

- a. Deviations in excess of one (1) percent from the approved budget or extensions in the grant period require prior approval via OAG Grant Adjustment Request Form (GARF). Subrecipient should be aware that approved budget revisions may result in the imposition of additional special conditions.
- b. L&PS may request changes in the scope of services of the Subrecipient to be performed under this agreement. Such changes, which are mutually agreed upon by and between L&PS and the Subrecipient, must be incorporated in written amendments to this grant.
- c. If the Subrecipient is making program expenditures or providing grant services at a rate which, in the judgment of L&PS, will result in substantial failure to expend the grant amount or provide grant services, L&PS may so notify the Subrecipient. If, after consultation, the Subrecipient is unable to develop to the satisfaction of L&PS a plan to rectify its low level of program expenditures or grant services, L&PS may upon thirty (30) days' notice to the Subrecipient, reduce the grant amount by a sum that more fairly projects program expenditures over the grant period. This reduction shall take into account the Subrecipient's fixed costs and shall establish the committed level of services for each program element of grant services at the reduced grant amount. If such a determination is made by L&PS subsequent to the awarding and receipt of the funds by the Subrecipient, the reduced amount will be remitted to L&PS.
- d. If the revision requested will result in a change to the Subrecipient's approved project which requires federal prior approval, L&PS will obtain the federal agency's approval before approving the Subrecipient's request.

23. Failure to Comply with Award Conditions: If the Subrecipient materially fails to comply with the terms of an award, whether stated in a state or federal statute, regulation, assurance, general condition, special condition, state plan/application, notice of award, or elsewhere,

the Subrecipient agrees that L&PS may take one or more of the following actions, as appropriate:

- a. Temporarily withhold cash payments pending correction of the deficiency by the Subrecipient or take more severe enforcement action.
- b. Disallow all or part of the cost of the activity or action not in compliance.
- c. Wholly or partly suspend or terminate the current award for the Subrecipient's program.
- d. Withhold further awards for the program.
- e. Request the balance of grant funds to be returned and/or seek reimbursement for funds expended that were not in compliance with the terms and conditions of the grant agreement.
- f. Take other remedies that may be legally available.

In taking an enforcement action, L&PS may provide the Subrecipient an opportunity for such hearing, appeal or other administrative proceeding to which the Subrecipient is entitled under any statute or regulation applicable to the action involved.

The enforcement remedies identified in this Section, including suspension and termination, do not preclude the Subrecipient from being subject to State and Federal debarment and suspension procedures.

- 24. **Grant Termination:** When the Subrecipient has failed to comply with grant award requirements, stipulations, standards, or conditions, the Subrecipient agrees that L&PS may suspend the grant and withhold further payments; prohibit the Subrecipient from incurring additional obligations of grant funds pending corrective action by the Subrecipient; decide to terminate the grant in accordance with the terms herein. L&PS shall allow all necessary and proper costs, which the Subrecipient could not reasonably avoid during the period of suspension, provided they meet federal and state requirements.
- 25. **L&PS Termination of the Grant:** The Subrecipient agrees that L&PS may terminate the grant in whole or in part whenever it is determined that the Subrecipient has failed to comply with the conditions of the grant. L&PS shall notify the Subrecipient in writing of the determination and the reasons for the termination together with an effective date. Payments made to the Subrecipient or recoveries by L&PS under the grant terminated for cause shall be in accordance with the legal right and liability of the parties. If the subaward is terminated for the Subrecipient's failure to comply with Federal statutes, regulations, or terms and conditions of the Subaward, L&PS will provide notification to the Subrecipient, including information that the decision may be considered in evaluating future applications

received from L&PS.

26. **Grant Termination for Convenience:** L&PS may terminate this grant for convenience, upon 60 days written advance notice to the Subrecipient, for any reason whatsoever, including lack of funding available to L&PS. Upon receipt of a notice of termination for convenience, the Subrecipient shall cease incurring additional obligations of subaward funds. However, L&PS shall allow the Subrecipient to incur all necessary and proper costs which the Subrecipient cannot reasonably avoid during the termination process, as long as these costs comply with all program requirements.
27. **Mutual Termination of the Grant:** L&PS and the Subrecipient may terminate the grant in whole, or in part, when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. Both parties shall agree upon the termination conditions, including the effective date and in case of partial terminations, the portion to be terminated. The Subrecipient shall not incur new obligations for the terminated portion after the effective date and shall cancel as many outstanding obligations as possible.
28. **Subcontractors and Assignments:** The Subrecipient shall not subcontract any of the work or services covered by this grant, nor shall any interest be assigned or transferred except as may be provided for in this grant or with the express written approval of OAG. A Subrecipient's use of any grant funds for allowable travel is restricted by the current State Travel regulations, State Circular 16-11-OMB. Exceptions to this policy may be considered on a case-by-case basis when justified by extenuating circumstances.
