LEGISLATIVE HISTORY

This Ordinance will prohibit Stopping or Standing on the east side of Pleasant Valley Way northbound from Wessman Drive to just north of West Orange Mountain High School. This extends the current prohibition that extended from opposite Dawson Avenue to just north of the High School.

This prohibition was requested by Township residents, and the Engineering Division of the Essex County Department of Public Works. There is a safety concern due to the proximity to the I-280 exit 7 ramp and vehicles stopped or parked on the east side of Pleasant Valley Way. When stopped or parked vehicles are present, two northbound lanes of Pleasant Valley Way (CR 636) and the traffic exiting the highway need to merge into one lane, causing a dangerous condition.
