

RESOLUTION

WHEREAS, the Township of West Orange entered a Grant Agreement with the New Jersey Department of Environmental Protection for the purpose of mitigating pollution by purchasing two (2) electric transport vans, with charging stations and installation of such equipment; and

WHEREAS, a suitable location for charging these vehicles was sited in the rear parking lot at Township Hall; and

WHEREAS, Bryan Electric Inc. submitted a proposal to supply and install two (2) Charging stations, and provide ongoing site maintenance and software updates for a period of five (5) years for the amount of \$ 225,155.95; and

WHEREAS, the necessary funding for this project will be covered entirely by available Grant Funds; and

WHEREAS, Bryan Electric Inc. has priced this project in accordance with N.J. State Approved Co-Operative Pricing Contract #65MCESCCPS, Bid# ESCNJ 22/23-35- Electric Vehicle Charging Stations, administered by the Educational Services Commission of New Jersey; and,

WHEREAS, the Municipal Engineer and Director of Public Works recommend awarding the contract to Bryan Electric Company, Inc.; and

WHEREAS, the Township Council concurs in the foregoing.

NOW, THEREFORE BE IT RESOLVED by the Township Council of the Township of West Orange that an award of contract be made to Bryan Electric Inc. in accordance with their proposal dated June 21, 2024 in the amount of \$225,155.95.

BE IT FURTHER RESOLVED, that the Purchasing Agent is hereby authorized to arrange to pay for the foregoing by issuing a Purchase Order on behalf of the Township of West Orange with funds certified available by the Chief Financial Officer. Funding for this purchase will be reimbursed through the grant from the NJ Department of Environmental Protection pursuant to the Volkswagen Settlement.
