WHEREAS, on October 16, 2025, the Township and LensLock executed a one-year extension to their contract term, which will expire on November 1, 2026; and

WHEREAS, the Township of West Orange Police Department (the “Police Department”) currently utilizes Body Worn Cameras and In-Car Camera Audio/Video Recording Systems, purchased from LensLock; and

WHEREAS, LensLock provides the Police Department with services related to the cameras and audio/video recording systems including redaction of videos, on-site repair, training, and proprietary offloading services; and

WHEREAS, LensLock’s proprietary embedded software, developed by LensLock engineers, supports the offloading of recorded evidence from the body-worn cameras and in-car systems; and

WHEREAS, without use of LensLock’s proprietary software the body-worn cameras and in-car systems would be unable to offload recorded evidence, eventually causing the devices to reach their storage capacity, rendering them useless; and

WHEREAS, the Police Department is satisfied with the service provided which has been used since 2023; and

WHEREAS, the Township desires to renew the Agreement with LensLock for an additional year, the term being November 1, 2026 through October 31, 2027; and
