Re: Proposal for Consulting Services

Dear Sir or Madam:

Thank you for the opportunity to present this proposal for consulting services to the Township of West Orange (the "***Township***"). This proposal sets forth the basic terms on which I am willing to provide such consulting services to the Township, subject to the execution of a mutually agreeable consulting agreement (the "***Consulting Agreement***").

It is my understanding that the Township requires provision of the services set forth on **Schedule A** hereto (the "***Services***") in connection with the Township's acquisition of Rock Spring Golf Club (the "***Golf Course***") and selection of an operator for the Golf Course. I would be willing to perform the Services in consideration of Ten Thousand Dollars (\$10,000), payable fifty percent (50%) by March 1, 2019 and the balance on April 30, 2019.

If the foregoing is acceptable to the Township and the Township wishes to retain me to provide the Services, I ask you to please return a signed copy executed by an authorized signatory as a binding letter of intent. I look forward to the opportunity to work with the Township on this exciting and impactful project.

Very Truly Yours,

David B. Cronheim

Legislative History

The Montclair Golf Club, a private not for profit corporation owning a thirty-six hole private golf club, twenty-seven holes of which are located in the Township of West Orange, and also owning the Rock Spring Club, another private eighteen-hole golf course, approximately 138 acres in size, located entirely in the Township of West Orange within its St. Cloud neighborhood, determined to sell the Rock Spring Club property to a private developer. The likely result of such a sale would be development of much of that 138 acres with single and multi-family homes with all of its collateral effect on traffic, the school system and significantly impacting the scope and expense of all municipal services. Seeking to avoid or at least ameliorate such impact, the Township of West Orange seeks to purchase the Rock Spring Club property for public mixed use as open space, recreational facilities, including golf as well as other forms of recreation, possibly using a small portion of the land for the Township's Public Works facility, and possibly selling a portion of the acreage for private development. The intention is to preserve as much of the land as possible for open space and recreational use recognizing that the needs of the community are likely to change over time and maintaining flexibility to meet those changing needs will be most beneficial to the Township.

AGREEMENT FOR PURCHASE AND SALE OF PROPERTY

THIS AGREEMENT (together with the Exhibits and Schedules attached hereto, this “**Agreement**”) is made this 28th day of March, 2019 (the “**Effective Date**”), by and between **MONTCLAIR GOLF CLUB**, a New Jersey not for profit corporation (“**Seller**”), and **TOWNSHIP OF WEST ORANGE**, a body politic of the State of New Jersey (“**Buyer**”).

FOR AND IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH HEREIN AND OTHER GOOD AND VALUABLE CONSIDERATION, THE RECEIPT AND SUFFICIENCY OF WHICH ARE HEREBY ACKNOWLEDGED, THE PARTIES HERETO AGREE AS FOLLOWS:

1. **Terms and Definitions:** The terms listed below shall have the respective meaning given them as set forth adjacent to each term.

- (a) “**Broker**” shall mean Holliday Fenoglio Fowler, L.P. (“**HFF**”) (attn.: Jose Cruz) having an address of 200 Campus Drive, Suite 4100, Florham Park, NJ 07932.
- (b) “**Business Day**” shall mean a day other than a Saturday, Sunday and days that are federal or State of New Jersey holidays such that the federal or State of New Jersey governments are closed for business.
- (c) “**Closing**” shall mean the consummation of the transaction contemplated herein, which shall occur on or about April 30, 2019, such date not being time of the essence because it is subject to Buyer’s right to extend same if necessary for Buyer to satisfy the Contingencies (as defined in Section 8 of this Agreement), through June 30, 2019, TIME BEING OF THE ESSENCE as to such date.
- (d) “**Property**” shall mean collectively:
 - (i) that certain real property being known as Lots 22 through 31 in Block 46.01, Lots 2 and 10 in Block 160 and Lots 30 and 34 in Block 160.01 on the Official Tax Map of the Township of West Orange, in the County of Essex, and State of New Jersey, being more particularly described on Exhibit A annexed (the “**Real Property**”) together with all buildings and other improvements located on the Real Property (collectively, the “**Improvements**”); and
 - (ii) such rights, if any, of Seller in and to the following:
 - (x) all land lying in the bed of any street or roads open or proposed, in front of, adjacent to, or adjoining the Real Property, to the center line thereof; and

- (y) all rights-of-way, open or proposed streets, alleys, easements, strips or gores of land adjacent to the Real Property.
- (e) “**Personal Property**” shall mean collectively: (i) those items of equipment and other personal property listed on **Schedule A**; and (ii) the name “Rock Spring.” It is understood and agreed by the parties that the Personal Property shall not include, and Seller does not intend to convey any interest in, the liquor license issued for the Property, or any trophies or tournament or other honorary boards displayed in or stored at the Rock Spring clubhouse, nor shall it include any equipment, intangible property or other personal property that is NOT listed on **Schedule A**. Upon written notice to Seller delivered no less than fifteen (15) days prior to the Closing, Buyer may require Seller to remove from the Property any items of moveable personal property not listed on **Schedule A**. The Personal Property shall be delivered at Closing in substantially the same condition as of the Effective Date, subject to ordinary wear and tear.
- (f) “**Purchase Price**” shall mean the sum of Eleven Million Two Hundred Eighty-Three Thousand and 00/100 Dollars (\$11,283,000.00), which shall be paid in cash at Closing, by way of a wire transfer of immediately available funds to an account(s) designated by Seller, subject to the closing adjustments set forth in this Agreement. In the event the Closing occurs prior to June 30, 2019, so that Buyer is closing earlier than the outside date permitted for Closing pursuant to this Agreement, the Purchase Price shall be reduced by the amount equal to \$3,000 multiplied by the number of days falling between the actual Closing date and June 30, 2019 (the “**Purchase Price Reduction**”). Notwithstanding the foregoing, the parties agree that the maximum Purchase Price Reduction is \$183,000, and under no circumstances shall the Purchase Price Reduction exceed the amount of \$183,000.00. By way of example, if the Closing occurs on May 31, 2019, then at Closing, the Purchase Price shall be reduced by \$90,000, since there are 30 days between May 31, 2019 and June 30, 2019 (so $\$3,000 \times 30 = \$90,000$).

4. **Payment of Purchase Price.** Buyer shall pay the Purchase Price to Seller at Closing in accordance with all of the terms and conditions of this Agreement, and specifically subject to the Purchase Price Reduction.

5. **Title.** Subject to Buyer's right to review and raise objections to title pursuant to Section 6 below, at Closing Seller agrees to convey to Buyer fee simple title to the Real

Property and Improvements by a bargain and sale deed with a covenant against grantor's acts, subject only to: (a) zoning and building regulations, ordinances and requirements adopted by any authority having jurisdiction over the Real Property and Improvements; (b) subsurface conditions affecting the Real Property and Improvements not disclosed by any instrument recorded in the county records; (c) such facts as shown on a survey prepared by Stewart Associates, Inc., dated June 30, 2014, and bearing Drawing Number 14-4940, and such facts as a current accurate survey may disclose provided same do not render title unmarketable; (d) easements, covenants, restrictions, reservations, rights of way, grants and other matters of record, (e) taxes for the current year and subsequent years not yet due and payable; (f) the state of compliance or non-compliance of the Property with any federal, regional, state, county or local laws, statutes, ordinances, rules, regulations, orders, codes, directives and requirements now or hereafter in force, including all environmental laws, statutes, ordinances, rules, regulations, orders, codes, directives and requirements now or hereafter in force, all judicial and administrative decisions and directives in connection with the enforcement thereof and the common law ("**Law**"); and (g) such other exceptions, as set forth on **Schedule D**, attached hereto, and state of title as set forth in the Baseline Title Report, as defined in Section 6(a), (all of the foregoing items, (a)-(g) inclusive, being collectively, the "**Permitted Exceptions**").

6. **Examinations.** Seller and Buyer hereby agree as follows:

- (a) **Title Examination.** Buyer has ordered prior to the Effective Date, and hereby accepts a title report and commitment in (the "**Baseline Title Report**") from Commonwealth Land Title Agency, Inc. (the "**Title Company**"). Prior to the Effective Date, the parties reviewed (i) the Baseline Title Report, and (ii) the survey of the Property, and agreed in writing as to what exceptions will remain and what exceptions the Seller will remove. Notwithstanding the foregoing, Seller shall be required to provide the Title Company with a title affidavit substantially in the form and containing the terms set forth on **Exhibit B** annexed and to cure on or before Closing, any monetary liens created by Seller against the Real Property whether or not shown on the Baseline Title Report (the "**Required Removal Items**"). Seller represents that any Required Removal Items will be satisfied at Closing, and that there is sufficient equity in the Property to satisfy same. In the event that either (i) a lis pendens has been filed against the Property that has not been discharged as of the Closing Date (a "Lis Pendens"), or (ii) an injunction preventing the sale of the Property to Buyer has been issued by a court of competent jurisdiction that has not been dissolved or vacated (an "Injunction"), then the Buyer shall not be required to Close until such time as the Lis Pendens or the Injunction has been discharged, vacated or dissolved (a "Discharge"), provided, however, that either party may terminate this Agreement if a Discharge has not been issued by a Court of competent jurisdiction within ninety (90) days of the date that the Lis Pendens or Injunction was filed. It is specifically understood and agreed by the parties that Buyer shall be required to Close even if an appeal has been

filed, may be filed, or is pending, with respect to an application for an Injunction or a Discharge.

- (b) **Updated Title Examination.** If the Baseline Title Report is updated after the Effective Date, Buyer shall have the right to object (each, a “**New Buyer Objection**”) to any additional and unique material matters disclosed (each, a “**New Title Document Matter**”) in any such update of the Baseline Title Report, provided that Buyer gives Seller notice of the New Buyer Objection within the earlier of three (3) days of its receipt of the New Title Document Matter or at Closing. Seller shall notify Buyer within the earlier of three (3) days or at Closing, whether Seller will cure the New Buyer Objection. If Seller does not respond, Seller shall be deemed to have elected not to cure the New Buyer Objection. If Buyer fails to deliver the New Buyer Objection to Seller within the three (3) days or at Closing time period, then Buyer shall be deemed to have waived its right to object to any New Title Document Matter and shall close subject to the Permitted Exceptions. If Seller is unable or unwilling to cure any such New Buyer Objection within the time period set forth above, Buyer shall have the right by notice given to Seller within the earlier of three (3) days after receipt of Seller’s notice (or within three (3) days after the expiration of Seller’s three (3) day response period, if Seller does not respond) or at Closing, either to (i) waive such New Buyer Objection and proceed to Closing without any abatement or reduction of the Purchase Price, or (ii) terminate this Agreement. If Buyer fails to elect to waive the New Buyer Objection and close the Transaction in accordance with this Agreement by notice given to Seller within the three (3) days/Closing period, or to terminate the Transaction, then Buyer shall be conclusively deemed to have elected to waive the New Buyer Objection and close the Transaction. The parties shall follow the same procedure outlined above with respect to additional New Buyer Objections, if any.
- (c) **Removal of Title Objections.** Except with respect to the Required Removal Items, Seller shall not be under any obligation to remove or otherwise address any New Buyer Objections. If Seller agrees to clear or remove any New Buyer Objections, then Seller shall have the right until Closing to satisfy the foregoing; however, except with respect to the Required Removal Items, a failure by Seller to do so shall not be deemed a default by Seller and Buyer’s sole remedy shall be to either waive the New Buyer Objection, without any abatement or reduction of the Purchase Price, or to terminate this Agreement on notice to Seller given no later than Closing. Seller shall have the right, upon notice to Buyer given on or prior to Closing, regardless of any time of the essence date provision that may be applicable, to adjourn Closing for up to ten (10) Business Days in the aggregate, to address any New Buyer Objections. Seller need not discharge or release any Required Removal Items before Closing. At Closing, if the Title Company will not agree to insure over or issue a title

policy without exception for the Required Removal Items, Seller shall produce each of the Required Removal Items duly executed and endorsed for cancellation or a separate instrument in the proper form for discharging each of the Required Removal Items of record, or shall allow Buyer a credit at Closing for the amount necessary to pay each of the Required Removal Items in full, together with reasonable costs relating to their cancellation, in which latter event Seller shall produce at Closing a letter from the holder of each of the Required Removal Items stating the sum necessary to pay off each of the Required Removal Items as of the date of Closing. In the event the Closing is delayed as a result of any permitted or required response set forth in this Section 6(c), then the Closing Date shall be set for the final day of any such delay.

- (d) **Termination.** If Buyer terminates this Agreement as provided for in this Section 6, then upon such termination all rights and obligations of the respective parties under this Agreement shall be null and void, except as otherwise expressly provided in this Agreement with respect to rights and obligations that survive a termination.
- (e) **Examination.** As a material inducement to Seller to enter into this Agreement, Buyer, by virtue of its execution of this Agreement, hereby acknowledges that prior to the Effective Date, Buyer has conducted a full and complete investigation and inspection of the Property, including but not limited to the environmental condition of the Property and that Buyer is completely and fully satisfied therewith and waives any rights to object thereto. Buyer hereby understands and agrees that it shall have no right to terminate this Agreement by virtue of any condition of the Property, except as specifically provided for in this Agreement, and hereby waives any right to object thereto or to cause Seller to remediate or repair any conditions existing at or on the Property, including but not limited to those conditions set forth and disclosed by the Environmental Due Diligence Documents, as hereinafter defined, which Buyer hereby expressly agrees to accept responsibility for. Furthermore, Buyer acknowledges that Seller has delivered to Buyer at no expense to Buyer, the following documents, which have been delivered to Buyer without any covenant, representation or warranty by, and without recourse to, Seller. Buyer hereby acknowledges receipt, prior to the Effective Date, of the following documents, which documents, to the best of Seller's knowledge, are all the documents related to the environmental condition of the Real Property that are in Seller's possession (the "**Environmental Due Diligence Documents**"):
 - (i) Gilmore & Associates, Inc. Phase I Report dated September 13, 2018;
 - (ii) EcolSciences, Inc. Phase I Report dated December 30, 2014 (2 parts);

- (iii) Ramboll US Corporation's October 25, 2018 report;
- (iv) Email from Susan Karp, Esq. of Sills Cummis & Gross, P.C.;
- (v) Remedial Action Permit dated August 6, 2013; and
- (vi) No Further Action Letter dated April 17, 2012.

7. **Condemnation/Risk of Loss.**

- (a) **Condemnation.** Seller shall notify Buyer of any written notice Seller may receive that all or any part of the Property may be taken as a result of the exercise of the power of eminent domain. If any portion or all of the Real Property and Improvements are taken by the exercise of the power of eminent domain by or behalf of any governmental entity other than the Township of West Orange or one of its related divisions, this Agreement shall become voidable at Buyer's sole election. After receiving notice of condemnation Buyer shall have ten (10) days to give Seller written notification as to whether or not Buyer will (i) proceed to Closing accepting the funds from the condemnation; or, (ii) terminate this Agreement in which case the parties shall not have any rights one against the other. In the event of a taking by the exercise of the power of eminent domain by or on behalf of the Township of West Orange or one of its related divisions, this Agreement shall remain in full force and effect, in which event Seller shall, at the Closing, deliver to Buyer all sums collected by Seller by reason of the taking, and transfer and assign to Buyer without recourse, representation or warranty all of Seller's right, title and interest in and to all awards made or to be made for such taking.
- (b) **Loss or Damage.** The risk of loss or damage to the Real Property and Improvements by reason of any insured casualty during the period up to the Closing shall be borne by Seller; however, Seller shall not have the risk of loss for any uninsured loss or damage. If the Real Property and Improvements or any part of the Real Property and Improvements is damaged or destroyed (notice of which shall be given to Buyer by Seller after receipt by Seller of notice of such damage or destruction), and the damage or destruction can reasonably be repaired or replaced by Seller prior to the Closing and the cost of the foregoing shall be less than \$500,000.00, then Seller shall restore the damage or destruction to as nearly the condition existing prior to the date of the damage or destruction as is reasonably practicable. If, in Seller's reasonable judgment, the damage or destruction cannot reasonably be repaired or replaced prior to the Closing, or if the cost of the foregoing shall exceed or shall reasonably be expected to exceed (as evidenced by a cost estimate from a reputable company obtained by Seller), the sum of \$500,000.00, or if the loss or damage is an uninsured loss or damage, then Seller shall notify Buyer thereof and Buyer shall have the option, upon notice to Seller, given

within ten (10) days of Seller's notice, to either: (i) close the purchase, in which event Seller shall, at Closing, deliver to Buyer any insurance proceeds collected by Seller or assign to Buyer without recourse, representation or warranty, all of Seller's right, title and interest in and to such insurance proceeds, if any, and Buyer shall assume responsibility for the repair or replacement, as the case may be, of the damage or destruction to the Real Property and Improvements, which obligation shall survive the Closing; or (ii) terminate this Agreement. In the event Buyer does not make the election within the ten (10) day period provided for above, then Buyer shall be deemed to have elected to continue this Agreement and close title to the purchase of the Property. If Buyer elects to terminate the Agreement, Seller shall have the option, upon written notice to Buyer, sent within ten (10) days after Buyer's termination notice, to send notice to Buyer that it intends to repair the damage, in which event Seller shall have the right to extend the Closing date for a period not to exceed ninety (90) days to perform the repair. If Seller does not elect to repair the damage after its receipt of Buyer's termination notice, then upon such termination, all rights and obligations of the respective parties under this Agreement shall be null and void, except as otherwise expressly provided in this Agreement with respect to rights and obligations that survive a termination.

8. **Contract Contingencies.** This Agreement is subject to and conditioned upon the fulfillment of the following conditions:

- (a) **Bond Financing Contingency.** Buyer's obligation to complete the Closing is specifically made subject to Buyer obtaining any and all necessary approvals, and authorizations for a municipal bond issuance and receipt of the funds from the bond issuance to be utilized to complete its financial obligations contemplated under this Agreement, (the "**Bond Contingency**").
- (b) **Bond Downpayment Waiver Contingency.** Buyer's obligation to complete the Closing is specifically made subject to Buyer obtaining any and all necessary approvals, and authorizations from the State Local Finance Board to waive the requirement that Buyer hold in escrow five (5%) percent of the purchase price as a "down payment escrow." (the "**Downpayment Waiver Contingency**").
- (c) **State Comptroller Approval Contingency.** Buyer's obligation to complete the Closing is specifically made subject to Buyer obtaining any and all necessary approvals, and authorizations from the New Jersey State Comptroller permitting Buyer to enter into a contract (this Agreement) for an amount in excess of Ten Million (\$10,000,000.00) Dollars. (the "**State Comptroller Contingency**").

9. **Default.**

- (a) **Buyer Default.** In the event that Buyer defaults in any of its obligations undertaken in this Agreement, as its sole and exclusive remedy, Seller shall be entitled to either: (i) waive such default and proceed to Closing in accordance with the terms and provisions hereof; or (ii) declare this Agreement to be terminated, and upon such termination all rights and obligations of the respective parties under this Agreement shall be null and void, except as otherwise expressly provided in this Agreement with respect to rights and obligations that survive a termination.
- (b) **Seller Default.** In the event that Seller materially defaults in any of its obligations undertaken in this Agreement, as its sole and exclusive remedy, Buyer shall be entitled to (i) waive such default and proceed to Closing in accordance with the terms and provisions hereof, (ii) terminate this Agreement, and upon such termination all rights and obligations of the respective parties under this Agreement shall be null and void, except as otherwise expressly provided in this Agreement with respect to rights and obligations that survive a termination, or (iii) enforce specific performance of Seller's obligations hereunder so long as any action for specific performance is commenced, if at all, within thirty (30) days of the default or such right and remedy shall automatically thereafter be deemed forever waived and of no further force or effect.
- (c) **Other Available Remedies.** Notwithstanding any other provision of this Agreement to the contrary, Buyer and Seller may each pursue any available remedies at law or in equity to enforce the other's post-Closing obligations hereunder.

10. **Closing.** The Closing shall consist of the execution and delivery of documents by Seller and Buyer, as set forth below, and the delivery by Buyer to Seller of the Purchase Price in accordance with the terms of this Agreement. Seller shall deliver to Buyer at Closing the following executed documents (the "**Seller Closing Documents**"):

- (a) **Deed.** Bargain and sale deed from Seller to Buyer conveying the Real Property and Improvements to Buyer subject only to the Permitted Exceptions, in the form and containing the terms set forth on **Exhibit C** annexed, which shall be executed by Buyer, and shall include the provisions set forth on **Exhibit C**, which shall be deemed a covenant running with the land and binding upon Buyer, its successors and assigns;

- (d) **Transfer Tax Documents.** All transfer tax statements, declarations and filings as may be necessary or appropriate for purposes of recordation of the deed;
- (e) **Title Affidavit.** Title affidavit executed by Seller substantially in the form and containing the terms set forth on **Exhibit B** annexed;
- (f) **Entity Consent.** Such other documents, as reasonably requested by Buyer's title insurance company, with respect to Seller entity's approval of this Transaction;
- (g) **FIRPTA.** A certification of non-foreign status in the form and containing the terms set forth on **Exhibit E** annexed, duly executed and acknowledged by Seller; and
- (h) **Additional Documents.** Such other documents, instruments, certifications and confirmations as are provided for in this Agreement, or as may be reasonably required by Buyer's title insurance company.

At Closing, Buyer shall deliver the Purchase Price to Seller, as adjusted pursuant to the terms of the Agreement, and shall execute and deliver execution counterparts of the closing documents referenced above which require Buyer's signature, authorization documents with respect to Buyer's entity, as reasonably requested by Seller or the Title Company, as well as such other documents, instruments, certifications and confirmations as are provided for in this Agreement or may be requested by the Title Company. Closing shall be held in escrow through the mail by delivery of the closing documents to the Title Company on or prior to Closing or such other place or manner as the parties hereto may mutually agree.

11. **Seller's Representations.** Seller represents and warrants to Buyer as follows:

- (a) **Due Organization.** Seller is duly organized (or formed), validly existing and in good standing under the laws of its state of organization. As of the Closing, Seller shall be authorized to consummate the Transaction and fulfill all of its obligations hereunder and under all closing documents to be executed by Seller, and shall have all necessary corporate power to execute and deliver this Agreement and all closing documents to be executed by Seller, and to perform all of Seller's obligations hereunder and thereunder. Neither the execution and delivery of this Agreement and all closing documents to be executed by Seller, nor the performance of the obligations of Seller hereunder or thereunder, will result in the violation of any law or any provision of the organizational documents of or will conflict with any order or decree of any court or governmental instrumentality of any nature, or agreement, of which Seller has actual knowledge and by which Seller is bound;
- (b) **FIRPTA.** Seller is not a "foreign person" under the Foreign Investment in Real Property Tax Act of 1980 ("**FIRPTA**") and upon consummation of

the transaction contemplated hereby, Buyer will not be required to withhold from the Purchase Price any withholding tax;

- (c) **OFAC.** Neither Seller, nor to Seller's knowledge, any person or entity with actual authority to direct the actions of Seller, (i) are named on any list of persons, entities and governments issued by the Office of Foreign Assets Control of the United States Department of the Treasury ("**OFAC**") pursuant to Executive Order 13224 – Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism ("**Executive Order 13224**"), as in effect on the date hereof, or any similar list known to Seller or publicly issued by OFAC or any other department or agency of the United States of America (collectively, the "**OFAC Lists**"), (ii) is included in, owned by, controlled by, knowingly acting for or on behalf of, knowingly providing assistance, support, sponsorship, or services of any kind to, or otherwise knowingly associated with any of the persons, entities or governments referred to or described in the OFAC Lists, or (iii) has knowingly conducted business with or knowingly engaged in any transaction with any person, entity or government named on any of the OFAC Lists or any person, entity or government included in, owned by, controlled by, acting for or on behalf of, providing assistance, support, sponsorship, or services of any kind to, or, to Seller's knowledge, otherwise associated with any of the persons, entities or governments referred to or described in the OFAC Lists;

- (f) **Contracts.** That other than as set forth on **Schedule C**, attached hereto, there are no contracts which affect the golf course and that may be binding on Buyer from and after the Closing Date. The Buyer shall have the right within thirty days after the Effective Date to advise the Seller as to which contracts on Schedule C at will assume and which ones it will not. Thereafter, the Seller shall be responsible to terminate prior to Closing those that the Buyer is not willing to assume. This specific representation shall survive the Closing indefinitely; and
- (g) **Leases.** There are no leases affecting the Property.

When a representation and warranty, or other statement, is made in this Agreement to the "knowledge" of Seller, or to the "actual knowledge" of Seller, or similar words, it means the actual knowledge of Christopher Gengaro, without the benefit of any due diligence or other investigation. To the extent that Buyer, prior to Closing, obtains actual knowledge that any of

the representations or warranties made by Seller herein are false but nonetheless closes the Transaction and buys the Property, Seller's representations and warranties shall, effective as of Closing be deemed to have been automatically modified to the extent necessary to make the applicable representation and warranty conform to Buyer's actual knowledge.

12. **Buyer's Representations.** Buyer represents and warrants to, and covenants with, Seller as follows:

- (a) **Due Organization.** As of the Closing, Buyer shall be authorized to consummate the Transaction set forth herein and fulfill all of its obligations hereunder and under all closing documents to be executed by Buyer, and shall have all necessary authorizations and power to execute and deliver this Agreement and all closing documents to be executed by Buyer, and to perform all of Buyer's obligations hereunder and thereunder. As of the Closing, this Agreement and all closing documents to be executed by Buyer shall have been duly authorized by all requisite governmental or other required action on the part of Buyer and shall be the valid and legally binding obligation of Buyer, enforceable in accordance with their respective terms, subject to the fulfillment of the Contingencies set forth in Section 8 hereof. Neither the execution and delivery of this Agreement and all closing documents to be executed by Buyer, nor the performance of the obligations of Buyer hereunder or thereunder will result in the violation of any law or any provision of the organizational documents of Buyer or will conflict with any order or decree of any court or governmental instrumentality of any nature of which Buyer has actual knowledge and by which Buyer is bound;
- (b) **Bankruptcy.** No petition (voluntary or otherwise), assignment for the benefit of creditors, or petition seeking reorganization or arrangement or other action has been filed by or against Buyer under the Federal Bankruptcy Code or any similar State or Federal law and none is contemplated;
- (c) **Financial Capability.** Subject to the Contingencies in Section 8, Buyer has the financial capability and wherewithal to pay the Purchase Price and close title to the Property and acquire the Personal Property.

When a representation and warranty, or other statement, is made in this Agreement to the "knowledge" of Buyer, or to the "actual knowledge" of Buyer, or similar words, it means the actual knowledge of any official, representative or employee of the Township of West Orange, without the benefit of any due diligence or other investigation.

13. **Conditions to Buyer's Obligations.** Buyer's obligation to pay the Purchase Price, and to accept title to the Property, shall be subject to compliance by Seller with the following conditions precedent on and as of the date of Closing:

- (a) **Delivery of Seller Closing Documents.** Seller shall deliver to the Title Company in escrow, as provided for in Section 10 above, on or before Closing, Seller Closing Documents; and
- (b) **Representations and Warranties.** The representations and warranties of Seller contained in this Agreement shall have been true when made in all material respects, and shall be true in all material respects at and as of the date of Closing as if such representations and warranties were made at and as of Closing, and Seller shall have performed and complied in all material respects with all covenants, agreements and conditions required by this Agreement to be performed or complied with by Seller prior to or at Closing.

If any of the conditions set forth in this Section 13(a) & (b) are not met at the time of Closing, then Buyer shall have the option (to be exercised in its sole discretion, but not later than the time scheduled for Closing, as so extended) either to (i) waive the requirement for satisfaction of the unsatisfied conditions and proceed to Closing without abatement or reduction of the Purchase Price, (ii) declare this Agreement terminated, and upon such termination all rights and obligations of the respective parties under this Agreement shall be null and void, except as otherwise expressly provided in this Agreement with respect to rights and obligations that survive a termination, or (iii) exercise its remedies under Section 9(b) above in the event the failure of the condition(s) precedent to be satisfied is due to Seller's material default of covenants or agreements required by this Agreement to be performed or complied with by Seller prior to or at Closing. In no event shall it be deemed a default by Seller if the condition set forth in Section 13(b) is not satisfied because Seller is unable to restate the representation or warranty as of Closing through no fault of Seller.

14. **Conditions to Seller's Obligations.** Seller's obligation to deliver title to the Property shall be subject to compliance by Buyer with the following conditions precedent on and as of the date of Closing:

- (a) **Payment of Purchase Price.** On the Closing Date, Buyer: (i) shall deliver to Seller the Purchase Price, as adjusted pursuant to Section 2; and (ii) cause delivery of the Maintenance Payment to Seller;

If any of the conditions set forth in this Section 14 are not met at the time of Closing, then Seller shall have the option (to be exercised in its sole discretion, but not later than the time scheduled for Closing) either to (i) waive the requirement for satisfaction of the unsatisfied conditions and proceed to Closing without abatement or reduction of the Purchase Price, (ii) declare this Agreement terminated, and upon such termination all rights and obligations of the respective parties under this Agreement shall be null and void, except as otherwise expressly provided in this Agreement with respect to rights and obligations that survive a termination or (iii) exercise its remedies under Section 9(a) above in the event the failure of the condition(s) precedent to be satisfied is due to Buyer's default of covenants or agreements required by this Agreement to be performed or complied with by Buyer prior to or at Closing.

15. **Notices.** Unless otherwise provided herein, all notices and other communications which may be or are required to be given or made by any party to the other in connection herewith shall be in writing and shall be: (i) delivered in person, (ii) deposited with a nationally recognized overnight courier for next business day delivery, or (iii) by email (to the other party and simultaneously to its counsel so long as on the same day such notice or other communication also is sent by nationally recognized overnight courier for next Business Day delivery; provided, however, that if the email delivery of any notice sent hereunder is within any time limit applicable thereto, such notice shall be considered timely given even if the follow up overnight courier copy is not within such time limit), to the addresses set out in Section 1, or at such other addresses as specified by written notice delivered in accordance herewith. Any notice given by an attorney for a party shall be effective for all purposes. Any notice or other communication sent as hereinabove provided shall be deemed given and received on the date actually received (or on the date delivery of such notice is refused), if delivered in accordance with this Section 15.

16. **Disclaimer.** SELLER HAS MADE NO, AND HEREBY DISCLAIMS ANY, REPRESENTATIONS AND WARRANTIES RESPECTING THE PROPERTY INCLUDING COMPLIANCE WITH ENVIRONMENTAL LAWS AND THE ENVIRONMENTAL, HEALTH AND SAFETY CONDITIONS OF THE PROPERTY, AND BUYER SHALL ACCEPT THE PROPERTY IN ITS "AS IS" CONDITION (INCLUDING WITH RESPECT TO THE COMPLIANCE OR NON-COMPLIANCE WITH ENVIRONMENTAL LAWS, AND THE ENVIRONMENTAL, HEALTH AND SAFETY CONDITIONS OF THE PREMISES), WITH ALL FAULTS AND DEFECTS, LATENT OR OTHERWISE, AND WITHOUT ANY REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, BY OPERATION OF LAW OR OTHERWISE, INCLUDING ANY REPRESENTATION OR WARRANTY CONCERNING TITLE TO THE PROPERTY, THE PHYSICAL CONDITION OF THE PROPERTY, THE COMPLIANCE OF THE PROPERTY WITH APPLICABLE LAWS AND REGULATIONS (INCLUDING THE STATUS OF DEVELOPMENT OR USE RIGHTS RESPECTING THE PROPERTY) OR THE QUALITY, VALUE OR FINANCIAL CONDITION OF THE PROPERTY. IN ADDITION TO AND NOT IN LIMITATION OF THE FOREGOING, IT IS UNDERSTOOD AND AGREED BY SELLER AND BUYER THAT SELLER MAKES NO WARRANTY OF HABITABILITY, SUITABILITY, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR FITNESS FOR ANY PURPOSE WITH REGARD TO THE PROPERTY. BUYER ALSO ACKNOWLEDGES THAT THE PURCHASE PRICE REFLECTS AND TAKES INTO ACCOUNT THAT THE PROPERTY IS BEING SOLD "AS-IS" AND WITH ALL

FAULTS AND DEFECTS AS ABOVE DESCRIBED. SELLER, ALL PREDECESSORS IN TITLE, ALL PRIOR OCCUPANTS AND OPERATORS OF THE PROPERTY, AND EACH AND ALL OF THEIR RESPECTIVE AFFILIATES, MEMBERS, HEIRS, EXECUTORS, ADMINISTRATORS, PARTNERS, SHAREHOLDERS, OFFICERS, DIRECTORS, TRUSTEES, REPRESENTATIVES, EMPLOYEES, AGENTS, LEGAL REPRESENTATIVES, PROPERTY MANAGERS, SUCCESSORS AND ASSIGNS, (COLLECTIVELY AND INDIVIDUALLY, INCLUSIVE OF SELLER, THE "RELEASEES") ARE HEREBY RELEASED OF AND FROM ANY AND ALL CLAIMS AND CAUSES OF ACTION REGARDING, AND BUYER WAIVES ANY CLAIM AND CAUSE OF ACTION AGAINST THE RELEASEES REGARDING, COVENANTS NOT TO SUE THE RELEASEES REGARDING, ASSUMES ALL LIABILITY AND RESPONSIBILITY REGARDING, AND SHALL INDEMNIFY, DEFEND AND HOLD THE RELEASEES HARMLESS REGARDING, THE CONDITION OF THE PROPERTY, INCLUDING THE ENVIRONMENTAL CONDITION OF THE PROPERTY AND ITS ENVIRONS, REGARDLESS OF WHETHER THE CONDITION RESULTED FROM ON-SITE OR OFF-SITE ACTIVITIES OF ANY ONE OR MORE OF THE RELEASEES OR ANY THIRD PARTY, OR THE CONDITION MIGRATED FROM OR ONTO THE PROPERTY, AND REGARDLESS OF WHETHER THE CLAIM OR CAUSE OF ACTION NOW EXISTS OR IS HEREAFTER CREATED UNDER COMMON LAW, OR NOW EXISTS OR IS HEREAFTER ENACTED PURSUANT TO FEDERAL, STATE, COUNTY OR MUNICIPAL LAW OR REGULATION, AND REGARDLESS OF WHETHER THE CONDITION CONSTITUTES A PATENT OR LATENT DEFECT, INCLUDING CLAIMS AND CAUSES OF ACTION UNDER: (A) THE FEDERAL COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION, AND LIABILITY ACT, THE FEDERAL RESOURCE CONSERVATION AND RECOVERY ACT AND/OR ANALOGOUS STATE, COUNTY AND/OR MUNICIPAL LAWS AND REGULATIONS; (B) FEDERAL, STATE, COUNTY AND/OR MUNICIPAL CLEAN WATER AND CLEAN AIR LAWS AND REGULATIONS; (C) FEDERAL, STATE, COUNTY AND/OR MUNICIPAL LAWS AND REGULATIONS CONCERNING HAZARDOUS SUBSTANCES OR WASTES AND THEIR USE, GENERATION, HANDLING, STORAGE OR DISPOSAL; (D) FEDERAL, STATE, COUNTY AND/OR MUNICIPAL LAWS AND REGULATIONS IMPOSING RESTRICTIONS OR PRECONDITIONS ON CLOSURES, TRANSACTIONS OR TRANSFERS OF PROPERTIES OR ENTITIES; AND/OR (E) FEDERAL, STATE, COUNTY AND/OR MUNICIPAL LAWS AND REGULATIONS GOVERNING FLOOD PLAINS, STREAM ENCROACHMENT AND/OR WETLANDS. Agreement shall be binding unless in writing and signed by the parties hereto. No prior agreement or understanding with respect to the sale of the Property (including any letter of intent executed prior to this Agreement) shall be valid or of any force or effect from and after the date hereof. The Section headings in this Agreement are inserted for convenience of reference only and in no manner expand, limit or otherwise define the terms hereof. All exhibits and schedules are incorporated herein by reference as if set forth at length herein. Each party acknowledges that such party and its counsel, after negotiation and consultation, have reviewed and revised this Agreement. As such, the terms of this Agreement shall be fairly construed and the usual rule of construction, to wit that ambiguities in this Agreement should be resolved against the drafting party, shall not be employed in the interpretation of this Agreement or any amendments, modifications, schedules or exhibits hereto or thereto. In no event shall any draft of this Agreement create any obligation or liability, it being understood that this Agreement shall be effective and binding only when a counterpart hereof has been executed and delivered by each party hereto. For purposes of this Agreement, “including” no matter how conjugated shall mean “including, without limitation.”

18. **Third Parties.** Except as expressly provided in this Agreement, nothing in this Agreement is intended to confer any rights or remedies under or by reason of this Agreement upon any other person other than the parties hereto and their respective permitted successors and assigns, nor is anything in this Agreement intended to relieve or discharge the obligation or liability of any third persons to any party to this Agreement, nor shall any provision give any third parties any right of subrogation or action over or against any party to this Agreement.

19. **Applicable Law.** This Agreement shall be construed under the laws of the State of New Jersey without giving effect to its conflicts of law principles. April 30	<u>Closing</u>

Further notwithstanding anything to the contrary in this Agreement, in the event that Buyer does not meet, or is otherwise unable to complete or fulfill any of the milestones set forth in this

Section 20, by the date listed above for such milestone, unless such failure of any such milestone was the result of an occurrence of Force Majeure (as defined herein below), Seller may terminate this Agreement, in Seller's sole and absolute discretion. Seller's termination shall be effectuated by delivery of written notice to Buyer of Seller's termination of this Agreement, including the specific deadline which Buyer failed to meet. Seller's termination pursuant to this Section 20 shall be automatically and immediately effective upon receipt of the notice by Buyer, unless prior to receipt of such termination notice, Buyer has performed or completed the previously incomplete or failed milestone for which Seller has based its termination on, in which case the termination notice sent by Seller with respect to such failed milestone, shall be deemed null and void and this Agreement shall continue as per its terms. Buyer agrees to notify and update Seller, with respect to Buyer's progress with, and completion of each of the above milestones. For purposes of this Agreement, the term "**Force Majeure**" shall be defined as the inability of any party to timely fulfill any of its obligations under this Agreement by reason of any strike, lockout or other labor trouble; inability to obtain labor, materials, coal, oil, or other suitable fuel or reasonable substitutes therefor or the failure of the supply of any thereof; acts of God (including but not limited to any weather event) fire or other casualty; governmental preemption of priorities or other controls in connection with a public emergency; governmental restrictions or requirements of laws; enemy or hostile governmental action; civil commotion; or any other cause beyond such party's control. In the event that a milestone is not met by the deadline as a result of a Force Majeure, then the time to complete that milestone shall be extended for a period of time equal to the duration of the Force Majeure, or commensurate with the delay caused by the Force Majeure. Notwithstanding the foregoing, the June 30, 2019 Closing Date is not subject to any delay as a result of Force Majeure.

21. **Maintenance of Golf Course Prior to Closing.** Seller agrees to maintain the golf course located on the Real Property (the "**Golf Course**") pursuant to the maintenance schedule set forth on Schedule B, attached hereto and made a part hereof (the "**Golf Course Maintenance**"). It is specifically understood and agreed that Seller is only required to perform those items specifically set forth on Schedule B. In exchange for Seller completing the Golf Club Maintenance, in the event the Closing occurs, Buyer agrees to provide for it to be paid to Seller by a third party, at Closing, the amount of Sixty-One Thousand Three Hundred Eight and Seventy-Five Hundredths Dollars (\$61,308.75) (the "**Maintenance Payment**"), which payment shall be in addition to the Purchase Price. The parties understand and agree that if the Closing does not occur, Buyer shall have no liability to Seller for the cost of Golf Course Maintenance. The Maintenance Payment is contemplated to be made by a golf course operator to be selected by Buyer through competitive bidding in accordance with the Local Public Contracts Law, N.J.S.A. 40A:11-1 et seq. (the "**Golf Course Operator**"). Buyer's obligation with respect to this payment is to (i) include the requirement to make the foregoing payment in the request for proposal (the "**RFP**"); and (ii) to ensure that any successful bidder to the RFP agrees to place the Maintenance Payment in escrow, which shall be held and disbursed pursuant to the terms of that certain escrow agreement attached hereto as Exhibit G (the "**Maintenance Payment Escrow Agreement**").

22. **Broker's Commissions.** Buyer and Seller each hereby represent that, except for the Broker, there are no other brokers or finders involved or that have a right to proceeds in this transaction. Seller shall be responsible for payment of a commission to the Broker pursuant to a separate, previously negotiated agreement. Seller and Buyer each hereby agree to indemnify and

hold the other harmless from all loss, cost, damage or expense (including, without limitation, reasonable attorneys' fees at both trial and appellate levels) incurred by the other as a result of any claim arising out of the acts of the indemnifying party (or others on its behalf) for a commission, finder's fee or similar compensation made by any broker or finder who claims to have dealt with such party (except that Buyer shall have no obligations hereunder with respect to any claim by the Broker with respect to the Transaction). Seller's indemnity shall include any claims, fees or other compensation due to the Broker. The representations, warranties and indemnity obligations contained in this section shall survive Closing.

23. **Attorneys' Fees.** In all cases each of the parties to this Agreement shall be responsible for its own attorney's fees and costs.

24. **Counterparts/Facsimile/PDF Signatures.** This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become a binding agreement when one or more counterparts have been signed by each of the parties and delivered to the other party. The exchange of executed copies of this Agreement by facsimile or Portable Document Format (PDF) transmission shall constitute effective execution and delivery of this Agreement as to the parties for all purposes; signatures of the parties transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

25. **Computation of Time.** Any time period provided for in this Agreement that ends on a Saturday, Sunday or legal holiday shall extend to 5:00 p.m. New York time on the next full Business Day.

26. **Waiver of Jury Trial. SELLER AND BUYER JOINTLY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO WHICH SELLER AND BUYER MAY BE PARTIES, ARISING OUT OF OR IN ANY WAY PERTAINING TO THIS AGREEMENT.** This waiver is knowingly, willingly and voluntarily made by Seller and Buyer, each of whom hereby acknowledges that no representations of fact or opinion have been made by any individual to induce this waiver of trial by jury or to in any way modify or nullify its effect. Seller and Buyer each further represent that it has been represented in the signing of this Agreement in the making of this waiver by independent legal counsel, selected of its own free will, and that it has had the opportunity to discuss this waiver with counsel.

27. **Partial Invalidity.** If any term, covenant or condition of this Agreement shall be invalid or unenforceable, the remainder of this Agreement shall not be affected and shall remain in full force and effect.

28. **Reporting Person.** Seller and Buyer hereby designate the Title Company to act as and perform the duties and obligations of the "reporting person" with respect to the Transaction for purposes of 26 C.F.R. Section 1.60454(e)(5) relating to the requirements for information reporting on real estate transaction closed on or after January 1, 1991. In this regard, Seller and Buyer each agree to execute at Closing, and Buyer shall cause the Title Company to execute at Closing, a Designation Agreement in form reasonably acceptable to Seller and Buyer, designating the Title Company as the reporting person with respect to the Transaction contemplated by this Agreement.

29. **No Offer.** This Agreement is of no force or effect unless and until it is signed by both Seller and Buyer, and a signed copy of this Agreement delivered by Seller to Buyer. The mailing, delivery or negotiation of this Agreement by Seller or Buyer or any agent or attorney of Seller or Buyer prior to the execution and delivery of this Agreement as set forth in this Section 29 shall not be deemed an offer by Seller or Buyer to enter into this Agreement, whether on the terms contained in this Agreement or on any other terms, nor shall it create any contractual obligation on the part of either Seller or Buyer as to this Agreement or the continued negotiation thereof. Until the execution and delivery of this Agreement as set forth in this Section 29, Seller or Buyer may withdraw this Agreement, change any of the terms of this Agreement, negotiate with other prospective buyers or prospective tenants, or both, and terminate all negotiations and discussions of the subject matter of this Agreement, without cause and for any reason or no reason, without recourse or liability.

In addition to the above, and notwithstanding the foregoing, Buyer as a municipal body must have this Agreement signed by Seller in order to be accepted by Resolution of Buyer. In the event that Buyer has not taken the requisite action to accept and execute this Agreement on or before March 28, 2019, Buyer understands that Seller may immediately withdraw the offer to sell the Property to Buyer in Seller's sole and absolute discretion, whereupon this Agreement or any offer related to the sale of the Property to Buyer shall be null and void, and of no force or effect.

30. **No Joint Venture.** This Agreement does not and shall not be construed to create a partnership, joint venture or any other relationship between the parties hereto except the relationship of seller and buyer specifically established hereby.

31. **No Recordation.** Buyer shall not record this Agreement or any memorandum hereof.

32. **Notification of Sale.** At least ten (10) Ten Business Days prior to the closing of title, Buyer shall submit a completed form C-9600, Notification of Sale, Transfer or Assignment in Bulk, signed by Buyer, together with a fully-executed copy of this Agreement (the "**Tax Notification**"), to the Bulk Sale Section of the Department of Treasury, Division of Taxation, State of New Jersey (the "**Bulk Sale Section**"), by registered or certified mail or overnight delivery, in order to provide time, as required by law, for the Director of the Division of Taxation (the "**Director**") to advise the parties whether any sums from the sale proceeds shall be held by the law firm of Sills, Cummis & Gross, P.C. (the "**Tax Escrow Agent**") in escrow (the "**Tax Escrow Fund**"), and paid over, in whole or in part, to the Department of Treasury upon its demand for same, with the remainder, if any, to be paid over to Seller without any right of setoff. The Tax Escrow Fund shall be held by Tax Escrow Agent pursuant to a tax escrow agreement in the form and containing the terms set forth in Exhibit F annexed hereto, which shall be executed at the closing of title by the parties and Tax Escrow Agent. Buyer shall provide Seller a copy of the Tax Notification not less than five (5) business days prior to its submission of the same to the Bulk Sale Section. Seller shall have the right to prepare and file an Asset Transfer Tax Declaration (the "**TTD**") in the form prescribed by the Director. If Seller delivers the TTD to Buyer in a sealed envelope before Buyer has filed the Tax Notification, then Buyer shall include the TTD with the Tax Notification in such sealed envelope when it files the Tax Notification with the Bulk Sale Section. If the Bulk Sale Section or the Director fails to

timely respond as required by law, then there shall be no Tax Escrow Fund. The provisions of this Section shall survive the closing of title.
