RESOLUTION

WHEREAS, the Montclair Golf Club (“the Club”), located at 25 Prospect Avenue, West Orange, New Jersey 07052, has arranged for a small helicopter to land on the grounds of the Club to deliver Santa Claus to Club members and their guests in attendance for a holiday celebration; and

WHEREAS, this year’s annual Santa Claus event is scheduled for **Sunday, December 8, 2019** at approximately 11:00 am; and

WHEREAS, Santa’s reindeer, Rudolph et als., are not available for the trip at this time of year as they must be well-rested in preparation for their big Christmas Eve event; and

WHEREAS, Santa Claus has again graciously managed to make arrangements to travel by small helicopter to attend the Club’s annual holiday celebration; and

WHEREAS, the New Jersey Department of Transportation, Division of Aeronautics, Inspection & Aircraft Operation, not wanting to be Scrooge-like, does permit and has in the past permitted helicopter landings such as these on country club property when approved pursuant to its application process; and

WHEREAS, Dennis Leaver , the helicopter pilot and agent for the Club, will prepare the required Application for Temporary Aeronautical Facility License for submission to the New Jersey Department of Transportation, and which must be accompanied by, among other documents and things which the Club will provide, a “letter, statement, or certificate from the appropriate governing body which states there is no objection to the issuance of a temporary license (mandatory for all temps)”; and

WHEREAS, for this event, the appropriate body is the Township Council of the Township of West Orange; and

NOW, BE IT HEREBY RESOLVED, that the Township Council of the Township of West Orange, does and hereby states that it has no objection to the issuance of a Temporary Aeronautical Facility License to the Montclair Golf Club, located at 25 Prospect Avenue, West Orange, NJ 07052, for the purpose of permitting transportation and delivery of Santa Claus to the Club at approximately 11:00am., on **Sunday, December 8, 2019**, for participation in the Club's traditional Christmas celebration; and it is further

RESOLVED, that this Resolution shall be made available in the Clerk's office for reasonable inspection in accordance with applicable law.

RESOLUTION

Whereas, the State of New Jersey, Department of Environmental Protection awarded the Township with Green Acres Project #0722-035, West Orange Township Multi-Park Development Project, Lafayette Park, Block 61, Lot 27; and

Whereas, subsequent to this award, the Township acquired the Rock Spring Golf Club with unrestricted funding, with the intention to ultimately preserve the majority of the property for recreational use and utilize a minor portion for other development uses; and

Whereas, the Township has not accepted funding from Green Acres Project #0722-035; and

Whereas, acceptance of the funding from Green Acres Project #0722-035 would require the Township list the Rock Spring Golf Club in its entirety on the township's Recreation and Open Space inventory; and

Whereas, such a listing on the Recreation and Open Space inventory would automatically dedicate all of the golf course parcels to recreation or open space uses, eliminating the possibility to use a minor portion for other development uses in the future;

Now Therefore Be It Resolved, that the West Orange Township Council does officially withdraw Green Acres Project #0722-035 and any other open projects at this time.

Be It Further Resolved, that a certified copy of this resolution be forwarded to the State of New Jersey, Department of Environmental Protection, Green Acres Program.

WHEREAS, land use is an essential component of overall sustainability for a municipality; and

WHEREAS, poor land-use decisions can lead to and increase societal ills such as decreased mobility, high housing costs, increased greenhouse gas emissions, loss of open space and the degradation of natural resources; and

WHEREAS, well planned land use can create transportation choices, provide for a range of housing options, create walkable communities, preserve open space, provide for adequate recreation, and allow for the continued protection and use of vital natural resources; and

WHEREAS, Given New Jersey's strong tradition of home rule and local authority over planning and zoning, achieving a statewide sustainable land use pattern will require municipalities to take the lead;

NOW THEREFORE, we the Township of West Orange, resolve to take the following steps with regard to our municipal land-use decisions with the intent of making West Orange a truly sustainable community. It is our intent to include these principles in the next master plan revision and reexamination report and to update our land-use zoning, natural resource protection, and other ordinances accordingly.

Regional Cooperation - We pledge to reach out to administrations of our neighboring municipalities concerning land-use decisions, and to take into consideration regional impacts when making land-use decisions.

Transportation Choices - We pledge to create transportation choices with a Complete Streets approach by considering all modes of transportation, including walking, biking, transit and automobiles, when planning transportation projects and reviewing development applications. We will reevaluate our parking with the goal of limiting the amount of required parking spaces, promoting shared parking and other innovative parking alternatives, and encouraging structured parking alternatives where appropriate.

Natural Resource Protection - We pledge to take action to protect the natural resources of the State for environmental, recreational and agricultural value, avoiding or mitigating negative impacts to these resources. Further, we pledge to complete a Natural Resources Inventory when feasible to identify and assess the extent of our natural resources and to link natural resource management and protection to carrying capacity analysis, land-use and open space planning.

Mix of Land Uses - We pledge to use our zoning power to allow for a mix of residential, retail, commercial, recreational and other land use types in areas that make the most sense for our municipality and the region, particularly in downtown and town center areas.

Housing Options - We pledge, through the use of our zoning and revenue generating powers, to foster a diverse mix of housing types and locations, including single- and multi-family, for-sale and rental options, to meet the needs of all people at a range of income levels.

Green Design - We pledge to incorporate the principles of green design and renewable energy generation into municipal buildings to the extent feasible and when updating our site plan and subdivision requirements for residential and commercial buildings.

Municipal Facilities Siting - We pledge, to the extent feasible, to take into consideration factors such as walkability, bikability, greater access to public transit, proximity to other land-use types, and open space when locating new or relocated municipal facilities.

Schedule B
Program Objectives

Grant Number: 45502214

Funding Source: Older American Act Title III B

Service: Visiting Nurse

Service Definition: Services designed to maintain older persons in their own residences or community-based settings by providing skilled nursing services or therapy, thereby avoiding and deterring the need for hospitalization and institutionalization.

Service Unit: Each Visit

The Division agrees to pay the Agency the sum not to exceed **\$16,127.00** as detailed in the final approved budget.

Goal Statement: To develop and coordinate a dual community work plan to provide a comprehensive network of visiting nurse services to the target population of older adults living within the service area of the West Orange Health Department for the period of January 1, 2020 to December 31, 2020.

Objective #1:

To provide for the administration of the Essex County Division of Senior Services to the West Orange Visiting Nursing Service at a cost of \$16,127.

Activities:

1. To maintain accurate financial records of grants expenditures.
2. To maintain expenditure control for the monies allocated in this grant and financial control of expenditures as required to meet Division of Senior Services auditing.
3. To maintain accurate program reports and submission of such reports as required and approved by the Division of Senior Services.
4. To compile and report to the Division of Senior Services all parameters of project performance programmatic goals and objectives and report such information to the participating municipality.
5. To compile and report to the Division of Senior Services all parameters of all project expenditures.

Goal #2: To ensure that comprehensive visiting nurse services are available to the older adult population residing in the West Orange Health Department service area with specific emphasis placed on the target population criteria set by the Essex County Division of Senior Services for the period of January 1, 2020 to December 2020. The program will serve older adults (60 plus) throughout the service area and include all service components as recommended and required by the Essex County Program Specifications-Service Definition, Components and Standards.

Objective #1:

To provide 103 nursing visits to approximately 57 targeted older adults residing in the West Orange Health Department service area each year. It is the intention to provide each older adult contact with a functional assessment, as well as counseling, referral assistance, networking, education, and the monitoring of future progress during each visiting nurse contact.

Activities:

1. To promote physical health and well-being through screening, counseling and education to the older adults in our service area.
2. Individuals will receive a physical and mental assessment, screening and evaluation during each nursing visit. To develop a plan of care for each participant.
3. Subsequent to initial examinations visits will be arranged to monitor progress and effectiveness of recommended treatments.
4. Provide nursing to the frail, impoverished, minority and vulnerable in the service area of the West Orange Health Department.
5. Assist in administering and supervising medication and treatment, following the overall plan of care including treatment, rehabilitation medication, injection, and other medical care necessary for the evaluation of the participant's safety and comfort.

Goal #3 To provide services designed to maintain older persons in their own residence or community-based setting by providing visiting nursing services that will assist in avoiding or deterring the need for hospitalization or institutionalization.

Objective #1:

To provide nursing visits to the West Orange Department service area and necessary follow-up visits by Public Health Nurses designated by the lead community under the jurisdiction of the Project Director and Senior Public Health Nurse to include the target population of the service area.

Goal #4: To provide emergency services to homebound residents and participate with the Township and County Emergency Management Offices.

Objective #1:

RESOLUTION

WHEREAS, the Township of West Orange is authorized to issue certain towing licenses for a period of three (3) years; and

WHEREAS, on or about April 26, 2019, the Township advertised a “Notice of Public Application Process for Municipal Towing Contracts,” pursuant to an application process under N.J.S.A. 40A:11-5(1)(u) and Township Code Section 5-32; and

WHEREAS, full and complete applications with all required responsive materials were due from the applicants no later than May 30, 2019 (the “Application Deadline”); and

WHEREAS, two (2) towing companies applied for towing licenses to operate in the Township of West Orange, including Select Towing Service, Inc. (“Select”), and Twin, Inc. T/A Twin Towing (“Twin Towing”); and

WHEREAS, pursuant to Township Code Section 5-32.4(b), after the Application Deadline, the Township Police Department reviewed and investigated the applicants and applications to determine whether the requirements of all applicable Township Code Sections were fully and completely satisfied, a copy of the Township Police Departments Towing License Application Investigation (the “Investigation”) is annexed hereto as Exhibit “A”; and

WHEREAS, the Investigation concluded that Select, and Twin Towing had satisfied the objective requirements of Township Code Section 5-32; and

WHEREAS, N.J.S.A. 40A:11-5(1)(u) requires that all awards of towing contracts be made on “non-exclusionary and non-discriminatory terms and conditions,” which terms and conditions include satisfaction of the Application Deadline and satisfaction of the requirements of Township Code Section 5-32; and

WHEREAS, based on the Investigation, the Chief of Police recommends that towing operator licenses be issued to Select and Twin Towing.

NOW, BE IT RESOLVED BY THE TOWNSHIP COUNCIL OF THE TOWNSHIP OF WEST ORANGE that towing licenses for the time period from November 1, 2019 through October 31, 2022 be and are hereby awarded to Select and Twin Towing; and be it further

RESOLVED, that the Municipal Clerk shall cause a copy of this award to be published in accordance with applicable law; and be it further

RESOLVED, that the Municipal Clerk's Office shall maintain a copy of this resolution in its records.

RESOLUTION

WHEREAS, the Township Council by Resolution No. 129-19 dated April 30, 2019 awarded Professional Services Contract to the firm Keller and Kirkpatrick, 301 Gibraltar Drive, Suite 2A, Morris Plains, New Jersey 07950 in the amount of \$28,300 for land surveying and engineering services associated with the Improvement of Dogwood Drive and Dogwood Road; and

WHEREAS, during the design process the Municipal Engineer requested a change to the design criteria at the intersection of Dogwood Drive and Old Short Hills Road to provide an improvement that would prevent vehicles, except emergency vehicles, from turning left from Dogwood Drive onto Old Short Hills Road southbound as that turn is prohibited by Ordinance; and

WHEREAS, Keller and Kirkpatrick submitted a proposal dated October 17, 2019 in the amount of \$2,900.00 to provide these additional design services; and

WHEREAS, the Proposal is acceptable to the Municipal Engineer; and

WHEREAS, sufficient funds exist for this additional work; and

WHEREAS, The Township Council concurs in the foregoing.

NOW THEREFORE BE IT RESOLVED by the Township Council of the Township of West Orange that the Professional Services Contract with Keller and Kirkpatrick, 301 Gibraltar Drive, Suite 2A, Morris Plains, New Jersey 07950 for the Improvement of Dogwood Drive and Dogwood Road be amended in accordance with their proposal dated October 17, 2019 for additional designs services for a fee of \$2,900.00.

BE IT FURTHER RESOLVED that a copy of this Resolution be published in the West Orange Chronicle within 10 days of its approval as required by State Statute.

RE: Additional Engineering Services
Improvement of Dogwood Drive and Dogwood Road
Our File No. 2019039

Dear Mr. Lepore:

Thank you for the opportunity to provide additional Engineering Services in connection with the referenced project. We understand that additional design improvements are required by the Township to install a channelized intersection at the Dogwood Drive/Old Short Hills Road intersection. We have prepared the following scope of work to be consistent with the services set forth in the Township's original RFP, dated March 26, 2019.

SCOPE OF SERVICES

Professional services will include base map preparation and engineering design to be incorporated into the Improvement of Dogwood Drive and Dogwood Road project final contract documents. Since Old Short Hills Road is a County Road and the intersection is located on the border of West Orange Township and Livingston Township, coordination with both Essex County and Livingston Township will be required.

DESIGN SERVICES

A. Base Mapping

1. We will obtain additional field measurements to prepare a more detailed base map to assure adequate data for design of the required improvements.

B. Design and Bid Documents

1. We will review specific required improvements in the field and coordinate our efforts with your office. Additionally, we will coordinate with both Livingston Township and Essex County personnel.

Leonard R. Lepore, Municipal Engineer
Director of Public Works
Township of West Orange
October 17, 2019
Page 2

2. We will prepare a revised plan at a scale of 1" = 30' utilizing the base mapping prepared under Task A.
3. All design criteria will comply with the current NJDOT and MUTCD specifications.
4. The Improvement of Dogwood Drive and Dogwood Road specifications will be revised as required.
5. The list of quantities and Engineer's Estimate will be revised.
6. Final Contract Document deliverables will be in accordance the Improvement of Dogwood Drive and Dogwood Road project RFP requirements.

FEE: \$2,900.00

We are pleased to have this opportunity to be of continued service to the Township of West Orange and hope you will find our proposal favorable. We would be happy to provide additional information or assistance as your needs dictate. My direct line is (973) 434-8349.

Very truly yours,

Andrew Cangiano, PE, PP, CME

RE: Additional Engineering Services
Street Improvements 2018, Phase IIA
Hutton Avenue, Condit Terrace, and Lindsley Avenue
Our File No. 2018013

Dear Mr. Lepore:

Thank you for the opportunity to provide additional Engineering Services. We understand the 2018 Phase IIA Street Improvement project will be amended to remove Walker Road from the project and include Hutton Avenue, Condit Terrace and Lindsley Avenue. We have prepared the following scope of work to be consistent with the services set forth in the Township's original RFP, dated February 6, 2018.

SCOPE OF SERVICES

Keller & Kirkpatrick, Inc. understands that the Township of West Orange requires additional engineering services in connection with the streets noted below. All streets will have existing curbs replaced with new curb, ADA compliant curb ramps, new sidewalk at the ramps, drainage inlet resets or reconstruction, milling and resurfacing. Additionally, Hutton Avenue will have new driveway aprons.

Professional services will include base map preparation, engineering design, and the preparation of construction plans to be incorporated into the 2018, Phase IIA Street Improvement project final contract documents suitable for the public bid.

Services will include improvements to the following three (3) roadways:

	Roadway	Limits	Length (Ft)
1.	Hutton Avenue	Randolph place to Northfield Ave.	575
2.	Condit Terrace	Entire length	445
3.	Lindsley Avenue	Longview Street to Brennan Drive	565
	TOTAL ESTIMATED LENGTH:		1,585

DESIGN SERVICES

A. Base Mapping

1. Utilizing Township tax maps and state aerial mapping as a base, and followed by obtaining field measurements, an accurate map of existing conditions will be prepared for each roadway to assure adequate data for design of the required improvements.
2. Using the base information and field information, the plans will depict the location of existing driveways, curbs and sidewalk, storm sewer structures, and other utilities.

B. Design and Bid Documents

1. We will review specific required improvements in the field and coordinate our efforts with your office.
2. We will prepare engineering plans for each street at a scale of 1" = 30' utilizing the base mapping prepared under Task A.
3. All design criteria will comply with the current NJDOT and MUTCD specifications.
4. The 2018, Phase IIA specifications will be revised as required.
5. The list of quantities and Engineer's Estimate will also be revised and updated to remove Walker Road and to include the new streets.
6. Final Contract Document deliverables will be in accordance the 2018, Phase IIA project RFP requirements

FEE: \$3,900.00

We are pleased to have this opportunity to be of continued service to the Township of West Orange and hope you will find our proposal favorable. We would be happy to provide additional information or assistance as your needs dictate. My direct line is (973) 434-8349.

Very truly yours,

RESOLUTION

WHEREAS, the Township of West Orange by Purchase Order No. 159719 dated February 23, 2018 issued a Professional Services Contract to the firm Keller and Kirkpatrick, 301 Gibraltar Drive, Suite 2A, Morris Plains, New Jersey 07950 in the amount of \$17,430.00 for land surveying and engineering services associated with the project Street Improvements, 2018, Phase IIA; and

WHEREAS, during the design process the Municipal Engineer requested a change to the Scope of Services to include three additional streets, Lindsley Avenue (Brennan Drive to Longview Street) Condit Terrace (Brennan Drive to Longview Street) and Hutton Avenue from Northfield Avenue to Randolph Place to supplement the improvement of two other streets in their neighborhood, Longview Street and Randolph Place; and

WHEREAS, Keller and Kirkpatrick submitted a proposal dated October 17, 2019 in the amount of \$3,900.00 to provide these additional design services; and

WHEREAS, the Proposal is acceptable to the Municipal Engineer; and

WHEREAS, sufficient funds exist for this additional work; and

WHEREAS, the Township Council concurs in the foregoing,

NOW THEREFORE BE IT RESOLVED that the Township Council of the Township of West Orange that the Professional Services Contract with Keller and Kirkpatrick, 301 Gibraltar Drive, Suite 2A, Morris Plains, New Jersey 07950 for Street Improvements 2018, Phase IIA be amended in accordance with their proposal dated October 17, 2019 for additional designs services for a fee of \$3,900.00.

BE IT FURTHER RESOLVED that a copy of this Resolution be published in the West Orange Chronicle within 10 days of its approval as required by State Statute.

RE: Additional Engineering Services
Improvement of Dogwood Drive and Dogwood Road
Our File No. 2019039

Dear Mr. Lepore:

Thank you for the opportunity to provide additional Engineering Services in connection with the referenced project. We understand that additional design improvements are required by the Township to install a channelized intersection at the Dogwood Drive/Old Short Hills Road intersection. We have prepared the following scope of work to be consistent with the services set forth in the Township's original RFP, dated March 26, 2019.

SCOPE OF SERVICES

Professional services will include base map preparation and engineering design to be incorporated into the Improvement of Dogwood Drive and Dogwood Road project final contract documents. Since Old Short Hills Road is a County Road and the intersection is located on the border of West Orange Township and Livingston Township, coordination with both Essex County and Livingston Township will be required.

DESIGN SERVICES

A. Base Mapping

1. We will obtain additional field measurements to prepare a more detailed base map to assure adequate data for design of the required improvements.

B. Design and Bid Documents

1. We will review specific required improvements in the field and coordinate our efforts with your office. Additionally, we will coordinate with both Livingston Township and Essex County personnel.

RESOLUTION AWARDING A CONTRACT TO THE ABSOLUTE FIRE PROTECTION COMPANY, INC. THROUGH USE OF THE HOUSTON GALVESTON AREA COUNCIL (HGAC) COOPERATIVE PURSUANT TO N.J.S.A. 52:34-6.2

WHEREAS, the Township of West Orange (“Township”) Fire Department is charged with the responsibility of emergency medical transport for all persons within the Township; and

WHEREAS, in order to fulfill their responsibilities, apparatus must be purchased to maintain optimal efficiency; and

WHEREAS, N.J.S.A. 52:34-6.2 authorizes contracting units to purchase goods or to contract for services through the use of a nationally recognized and accepted cooperative purchasing agreement that has been developed utilizing a competitive bidding process by another contracting unit with the State of New Jersey or within any other state, when available; and

WHEREAS, the Houston-Galveston Area Council (HGAC) is a regional planning commission and political subdivision of the State of Texas operating under Chapter 391, Texas Local Government Code; and

WHEREAS, the Township Council, by Resolution No.178-14 dated September 23, 2014, authorized membership with said HGAC, a recognized National Cooperative, thus becoming a member; and

WHEREAS, the Purchasing Agent published on October 9, 2019 a Notice of Intent, pursuant to the Local Finance Notice 2012-10 to utilize the H-GAC Cooperative to purchase One (1) Wheeled Coach Type 3 E450 Ambulance and provided a comment period to allow vendors a mechanism to provide alternate proposals; and

WHEREAS, no responses were received by the date and time published, and

WHEREAS, the Township’s Fire Department did due diligence comparing multiple companies on the HGAC Cooperative contract #AM10-18 for purchasing a Wheeled Coach Type 3 E450 ambulance and recommends the Absolute Fire Protection Company, Inc., 2800 Hamilton Blvd., South Plainfield, New Jersey 07080 to provide the Township this emergency equipment (Exhibit “A” attached).

NOW, THEREFORE BE IT RESOLVED, by the West Orange Township Council the following:

1. The Township shall receive from Absolute Fire Protection Company Inc. all supplemental documentation that complies with the laws of the State of New Jersey for entities awarded a contract by a public entity.
2. The Township Purchasing Agent shall be authorized to enter into a contract on behalf of the Township and a purchase order issued.

West Orange Fire Dept.

Thank you for your interest the Wheeled Coach product and Absolute Fire. We are pleased to provide pricing to purchase your apparatus through the Houston-Galveston Area Council (HGAC) cooperative purchasing program.

This letter serves as the quote under the HGAC AM10-18 Contract.

For the One (1) Wheeled Coach Type 3 E450 Ambulance we used the base model CCA15.

Pursuant to the regulations established under the HGAC program, we modified the base model to meet your departmental needs. We are offering an HGAC quoted price of **\$141,592.00.**

With the HGAC Process, since the terms of the agreement have already been negotiated between the vendors and HGAC, there is no need for a separate contract, just a PO made out to Absolute Fire Protection, issued by, you, the customer. Absolute will then send a copy of the official HGAC pricing along with a copy of the PO to the HGAC where they will issue an order confirmation. Once we receive the HGAC confirmation we will order the vehicle from Wheeled Coach and schedule the preconstruction conference. We will then provide you a copy of the official HGAC pricing worksheet for your records.

If you have any further questions please do not hesitate to contact me.

LEGISLATIVE HISTORY

This Ordinance is in response to requests from handicapped residents who reside at 131 Watson Avenue, 32 Edisonia Terrace, 205 Watchung Avenue, 83 Lindsley Avenue, 17 Dean Street, and 135 Main Street. 72 Rollinson Street has been corrected to conform with superseding parking regulations. A handicapped parking space has been added for the use of disabled customers of a medical supply business located at 480 Valley Road.

By adopting this Ordinance, the Township will establish a handicapped parking stall adjacent to each of these addresses. Such parking stalls are permissible under the laws of New Jersey, and they are designated as Restricted Parking Zones. Additionally, two handicapped space no longer used have been deleted from the list.
