Re: **Benecard®** Prescription Benefit Program 2020-2021 Renewal (24-Months),
Township of West Orange

Dear Ryan,

Good news! Benecard has reviewed the prescription benefit program activities to date for the current plan year and is pleased to offer the following 24-month program renewal. The program charges for the entire (24) month agreement will reflect an overall decrease of approximately 5%. This offering does not include any services/fees for purposes of administering the Township of West Orange's Retiree Drug Subsidy (RDS) program. This offering will remain valid for (60) days. The proposed program charges below are contingent upon the group remaining active for the entire term and the Township signing and returning the 2020-2021 Benecard agreement prior to January 1, 2020. Acceptance of this renewal proposal is contingent upon the group agreeing to a (24) month contract with Benecard and does not allow for the Township of West Orange to bid on its prescription services during this (24) month agreement. In the event of a breach, Benecard shall be entitled to recover an amount equal to the most recent two months of billed Program Charges as liquidated damages.

The proposed renewal program charges provided below does not account for any Federal and/or State government programs, fees, taxes or regulations including, but not limited to, the Patient Protection and Affordable Care Act with the exception of certain preventive health services and coverage for dependents to the age 26. The proposed renewal program charges also assume that the present benefit design, co-pay structure, and participation level will remain unchanged. Should any of these factors change during the contract period, Benecard reserves the right to revise these program charges. The proposed program charges include insurance carrier charges by Heartland Fidelity Insurance Company. These charges guarantee program costs by the carrier for the contract period. An updated experience report for the past year is enclosed for your reference.

Should the proposed program charges change at any point during the 2020/2021 contract period the overage dependent program charge will be changed accordingly.

¹ The Affordable Care Act requires the Township of West Orange's health benefits program implement an out-of-pocket (OOP) limit to protect individuals from excessive OOP expenses on all essential health benefits on or after January 1, 2015. The OOP limits represented above are based on the Township of West Orange's request to have a separate prescription OOP and at these required dollar limits effective January 1, 2020. It is our understanding that the Township of West Orange's acceptance of this proposal is based on their request to have a separate OOP limit combined with all other essential health benefit OOP limits that does not exceed the annual limitation on the OOP's for that year as outlined by the Department of Labor. The Rx OOP limits are subject to change if the ACA OOP limits are modified. Benecard reserves the right to revise the Township of West Orange's prescription benefit program charges if the client modifies or implements a different copayment level, coinsurance, deductible or any other benefit design change, including a change to the OOP amount that differs from what was used for underwriting purposes to develop for the program charges provided herein or enacts a change after inception of the new contract start date.

We look forward to continuing to provide the highest quality of client and participant services during the coming plan year, and to continue our longstanding relationship based on quality of service and careful program cost management. Do feel free to contact me should any questions arise regarding this renewal proposal.

Very truly yours,
