Township of West Orange to assure that there is no unauthorized use of the funds or the Permitted Investments or Deposits. Purchase of any Permitted Investments that involve Securities shall be executed by a "delivery versus payment" method to insure that such Permitted Investments are either received by the Township of West Orange or by a third-party custodian prior to or upon the release of the Township of West Orange's funds.

To assure that all parties with whom the Township of West Orange deals either by way of Deposits or Permitted Investments are aware of the authority and the limits set forth in this Plan, all such parties shall be supplied with a copy of this Plan in writing and all such parties shall acknowledge the receipt of that Plan in writing, a copy of which shall be on file with the Designated Official (s).

Once approved, the Chief Financial Officer will distribute the funds for the expenditures as specified on the Bill List. If the Chief Financial Officer determines that withholding distribution of funds for any properly authorized expenditure until the next Council Meeting would provide a threat to anyone's health, welfare or safety and/or negatively impact the efficiency of Township operations, the Chief Financial may immediately distribute funds for the expenditure and record it as such on the next Bill List presented to the Township Council.

X. TERM OF PLAN.

The Plan shall be in effect for the 2025 year. Attached to this Plan is a resolution of the governing body of the Township of West Orange approving this Plan for such period of time.
