MUNICIPAL SERVICES AGREEMENT

THIS AGREEMENT (the "Agreement"), is made this _____ day of _____, 2026, between the **TOWNSHIP OF WEST ORANGE** (the "Township"), a municipal corporation duly formed and organized under the Laws of the State of New Jersey, having its principal business address at West Orange Town Hall, 66 Main Street, West Orange, NJ 07052, and **THE COMMITTEE OF MANAGERS OF LLEWELLYN PARK** (the "Committee"), the managing body for Llewellyn Park (the "Park"), a fee simple committee established by Deed of Trust and Indenture, having a principal business address at One, Park Way, Llewellyn Park, West Orange, NJ 07052 ("Park" and "Committee" may and shall be used interchangeably.

WHEREAS, the Committee is empowered by the aforesaid Deed of Trust and Indenture, and Amendments thereto, to maintain and manage the Park, to establish a budget, collect funds from Park residents and spend said monies for maintenance, repair and security of the Park's property, and to enter into and perform contracts and agreements with third parties and governmental entities and authorities relating to the Park or the performance of the duties of the Committee; and

WHEREAS, the Park is either a qualified private community as defined in the Municipal Services Act, L. 1989, C.299 (N.J.S.A. 40:67-23.2, et seq.) (the "Act"), or otherwise deemed to be qualified to receive reimbursement for the services covered by that Act, and in accordance with the Act and related Ordinances enacted by the Township pursuant to and effectuating the Act, the Township is required either to provide certain specified services to residents of the Park, or to reimburse the Committee to the extent specified in that statute and as it is and has been interpreted by the Courts of the State of New Jersey, for the actual costs to the Committee of providing the specified services, not to exceed the costs to the Township for providing the same specified services to its residents living along its public streets and roads; and

WHEREAS, in accordance with the Act and the Ordinances relating to it, the Township and the Committee wish to and are entering into this Agreement to memorialize their intentions and expectations with respect to provision of services pursuant to the Act and related Township Ordinances;

NOW, THEREFORE, in accordance with the Act and the related Township Ordinances, the parties hereby covenant and agree as follows:

1. **Scope of Agreement.** This Agreement shall apply to all roads and streets located within the Park, as more specifically identified on the most recent and accurate map of the Township's roads and streets which include the Park. A copy of that map shall be attached to this Agreement as "Exhibit A."

2. **Term of Agreement.** This Agreement shall commence upon execution by all parties, shall supersede the Agreement entered into between the parties effective January 1, 2010,

and shall continue in effect so long as N.J.S.A. 40:67-23.5a., of the Municipal Services Act (requiring the municipality to enter into a written agreement to annually reimburse the qualified private community for costs included under the Act) remains in effect. It is the intention, wish and expectation of the parties that this Agreement continue in effect or renew annually for 25 years.

3. **Scope of Services.** The Township shall either provide the Park with the following services in the same fashion as it provides these services on its public roads and streets, or reimburse the Committee for its actual costs to provide them for the Park in the same fashion as said services are provided to Township residents along its public roads.

A. **Lighting of Roads.** The Township shall reimburse the Committee the lesser of the actual cost of lighting the Park's roads (by gas lights), or the cost the Township would incur to provide the electricity for equivalent electric lights (50 watt high pressure sodium light every 120 feet) in the Park along its 9 miles, i.e., the Township's electricity cost per light x 396 lights. The Township shall not be responsible for maintenance of, nor replacement of, the Park's lighting fixtures and infrastructure, the responsibility for which remains with the Committee.

Deleted: 8.6

Deleted: 378

B. **Waste/Garbage Collection from Homes.** The Township shall reimburse the Committee for all residences in the Park which the parties hereto agree currently stand at 173, at the Township's then current contractual residential collection unit rate adjusted by a factor of two (2), i.e., the Township's unit cost x 2 x 173 + tipping fees at ½ ton per year per residence. The Township shall include the residences in the Park to be covered and provided waste/garbage collection to its residents under the next Township contract to be publicly bid when the current contract expires in 2027, and will assume the collection costs for the Park for the years following in the same fashion as for its public road residents, based on curbside collection. Any side or rear yard collection, or other special collection arrangements, shall be the responsibility of, and at the expense of, the Committee or Park residents.

Deleted: 2013

C. **Collection of Leaves from Park Roads.** The Township shall reimburse the Committee at the Township's cost per mile for collection of leaves along its public roads, based on the Township's then current leaf collection program (a copy of which for the 2025 program is attached hereto as "Exhibit B"), adjusted by a factor of two (2), i.e., Township leaves cost per mile x 9 miles x 2. The Township shall allow leaves collected in the Park during the Fall leaf collection season as determined by the Township to be disposed at the Township's Environmental Center, 590 Mt. Pleasant Avenue, at no cost to the Park.

Deleted: 8.6

D. **Removal of Snow, Ice and Other Obstructions from Roads.** The Township shall reimburse the Committee at the Township's snow/ice removal cost per

mile x 9 miles. Due to the special nature and circumstances of conditions in the Park, the Township shall directly provide certain services to the Park rather than reimbursing the Committee for such services. The Township shall directly provide obstructions removal services in the Park, as well as certain supplies, as follows and without charge:

Deleted: 8.6

I. Salt for the roads with the Township's cost of salt provided to the Park to be subtracted from and offset against the Township's reimbursement to the Committee for snow/ice removal. The salt shall be stored at the Township's salt storage depot at 25 Lakeside Avenue and all costs associated with transporting the salt from that depot to the Park shall be at the Park's expense. The Park shall also be responsible for all costs associated with spreading the salt on its roads.

II. Bituminous concrete not to exceed fifty (50) tons per calendar year and, if the Park receives less than fifty (50) tons in any given year, the value of the difference shall be applied to and offset salt costs for that year, as noted in I above. The Park shall use the Township's contracted vendor as a supplier of bituminous concrete and all costs associated with transporting the material from the vendor to the Park and all costs associated with placing the material shall be at the Park's expense.

III. Removal of dead/hazardous trees up to fifteen (15) per calendar year to minimize obstruction call backs and pruning of protruding dead/hazardous tree limbs along Park roads also to minimize obstruction call backs.

IV. Removal of other obstructions (fallen tree limbs, large stones, dead animals, and other objects or substances) which may impede passage along the roads, with the Township's Public Works Department, or Health Department, depending on the nature of the obstruction, to be called to effectuate the removal. Other obstructions do not include repair of potholes or other roadway damage which remains the responsibility of the Committee and does not include normal street cleaning.

V. Removal of storm sewer obstructions excluding structural breaks to Park storm sewer mains.

VI. Removal of sanitary sewer obstructions excluding structural breaks to Park sanitary sewer mains.

E. The Township shall make the reimbursement payments required herein to the Committee on or before March 31st of each year subsequent to the reimbursed services having been performed.

4. **Periodic Review.** The Township and the Committee, or representatives of each, agree to meet periodically, at a mutually convenient time and place, and at least once per calendar year, to resolve any problems or concerns which may arise in the implementation of this Agreement. All of the terms and conditions of this Agreement are subject to review and modification and do not restrict the Committee or the Township in the governance of their respective residents and the services each entity provides to them. Nothing in this Agreement shall be deemed to require the Township to provide, or to continue to provide, any service(s) to the residents at large of the Township of West Orange. Should the Township discontinue any particular service(s) now rendered to Township residents, any provision(s) of this Agreement concerning the same service(s) shall terminate upon the effective date of discontinuance of said service(s) to the Township's residents, and notice of such discontinuance shall be provided to the Committee forthwith. Except as otherwise set forth herein, any dispute, controversy or claim arising out of or relating to this Agreement, or the interpretation, performance, breach, termination, or invalidity thereof, shall be subject to mediation, prior to the institution of any litigation and/or the commencement of any legal proceeding (exempted therefrom of course is any legal proceeding necessary to force any of the Parties to comply with the terms of this paragraph). Any party making a demand pursuant to this paragraph shall make said demand on any other party via certified and regular mail. The mediator shall be selected by consent of the Parties (or by consent of those parties demanding and/or participating in said mediation). The costs of the mediator shall be shared equally by the participating parties, or shared as otherwise decided by those parties. In the event a mediator cannot be agreed upon or otherwise qualified, New Jersey's Office of Dispute Settlement shall be utilized. The parties participating in said mediation shall make a good faith effort to resolve any and all disputes that are the subject of the mediation. Any party may terminate the mediation session process, etc., after a good faith effort has been made. Any party thereafter may institute litigation and/or commence legal proceedings in any court of competent jurisdiction.

5. **Documentation.** Each and every calendar year, on or before the first business day following February 14th, the Committee shall provide the Township, to the attention of its Business Administrator, Town Hall, 66 Main Street, West Orange, NJ 07052, only the following documentation of its costs and service arrangement for the services covered by this Agreement:

- The Park's paid street lighting electric and gas invoices.

6. **The Committees Obligations.** For reimbursements under the Municipal Services Act, N.J. Stat. Ann. §§ 40:67-23.2 et seq., the services provided by the Committee must be provided "in the same fashion" as the Township would provide them. This includes, without limitation, ensuring that trash, recycling, leaves, and grass clippings are properly collected and disposed of, and not dumped on the street, into drains or sewer systems by the Committee and/or any agent, employee, representative, or resident thereof. Additionally, all collection and disposing of trash, recycling, leaves, and grass clippings must be in compliance with New Jersey statute and New Jersey Department of Environmental Protection regulations. The Township may

deduct from any reimbursement otherwise due to the Committee if the Committee's services are not provided in the same manner as the Township would provide them, or if the Committee effectively fails to provide the services because trash, recycling, leaves, or grass clippings were improperly disposed of.

7. ____

8. **Insurance.** In consideration for the Township's directly providing certain services to the Park as set forth above, the Committee will, at its sole cost and expense, procure general liability insurance, or obtain the appropriate endorsement to its existing general liability insurance policy, naming the Township as an additional insured, insuring against any personal injury or bodily injury sustained in connection with the services directly provided by the Township under this Agreement, with the limits of liability under the policy or policies to be an aggregate of not less than $1,000,000.

9. **Successors.** This Agreement will inure to the benefit of, and be binding upon, the respective successors, representatives and assigns of the parties.

10. **Entire Agreement.** This Agreement constitutes the entire Agreement between the parties. Any conditions or modifications shall be made in writing and signed by both parties.

IN WITNESS WHEREOF, the parties accept and enter into this Agreement on this _____ day of _____, 2026

To Whom It May Concern,

We are planning to submit a Road Opening Permit Application in support of an environmental investigation being performed in a West Orange right of way. As such, I have prepared the attached draft application and wanted to request clarification on the following items:

- Will a check in the amount of $3,000 be sufficient for the Bond based on the attached specifications?
- What is the typical turnaround time for permit approvals since the One Call will not be requested more than 10 days prior to mobilization?

Please feel free to contact me should you have any questions or need additional information.

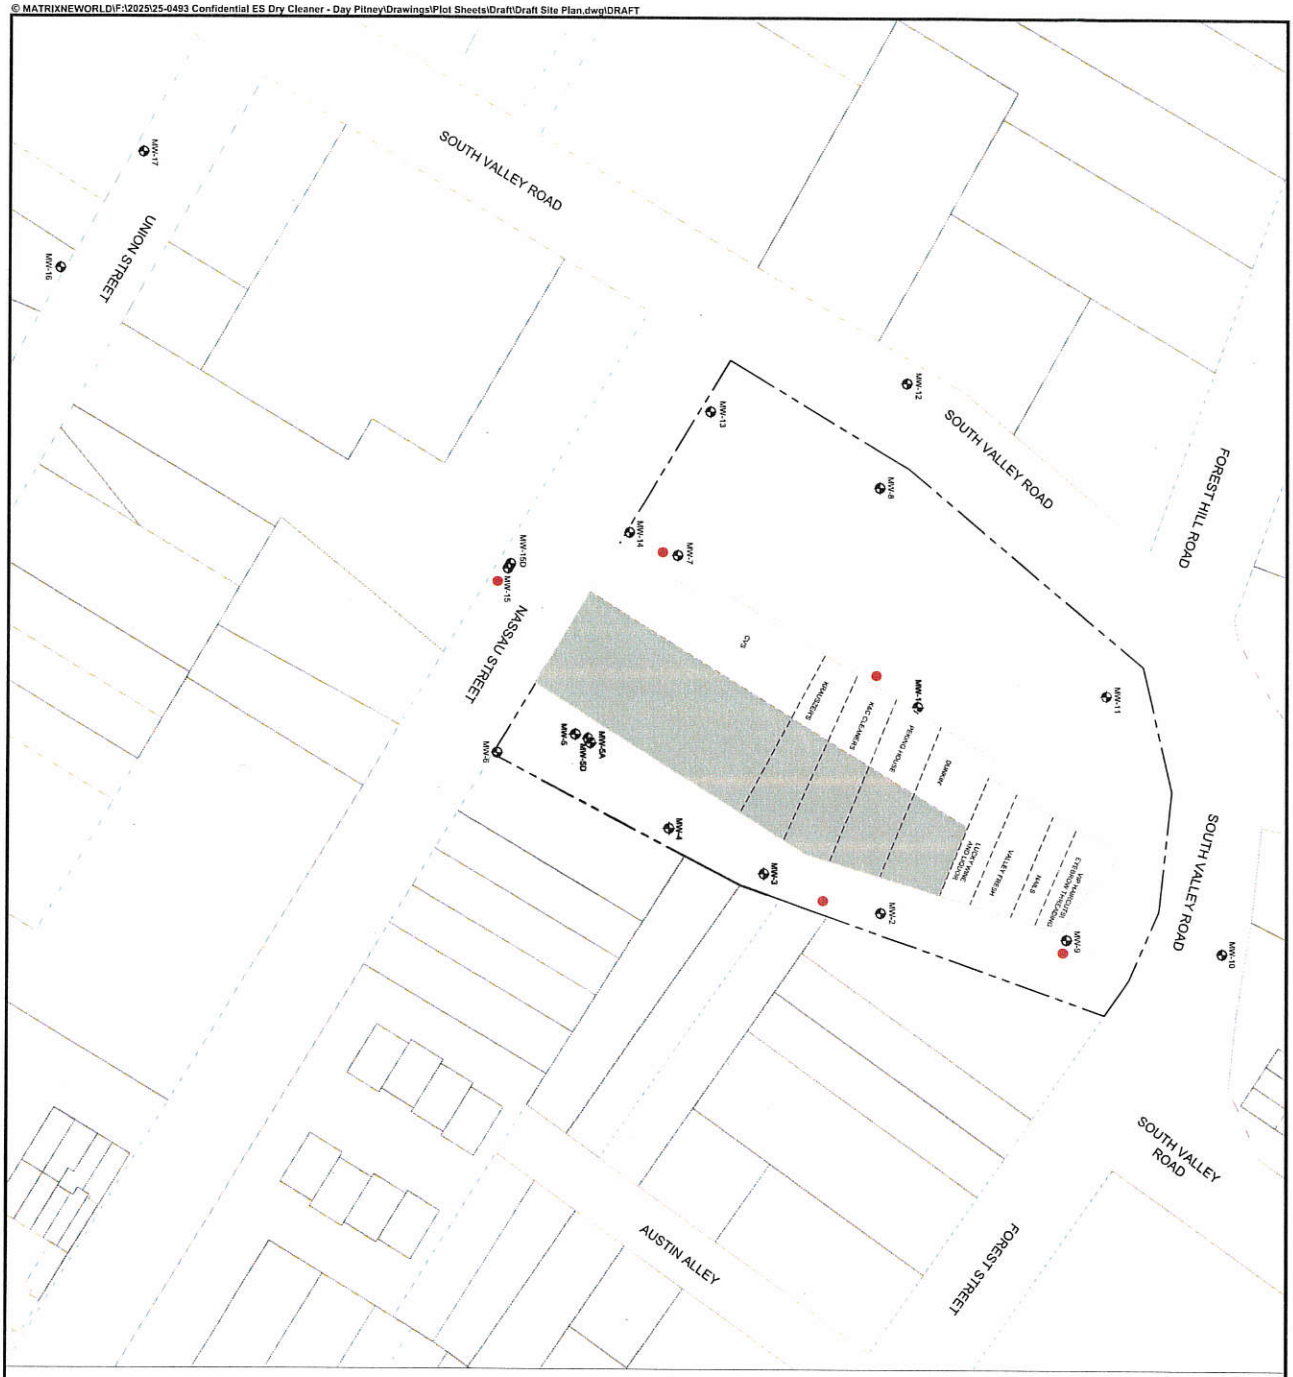

Thank You,
Colin

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

LEGISLATIVE HISTORY

BE IT ORDAINED AND ENACTED BY THE TOWNSHIP COUNCIL OF THE TOWNSHIP OF WEST ORANGE, IN THE COUNTY OF ESSEX, STATE OF NEW JERSEY (not less than two-thirds of all the members thereof affirmatively concurring), **AS FOLLOWS:**

SECTION 1. The improvements or purposes described in Section 3 of this bond ordinance are hereby authorized as general improvements or purposes to be undertaken by the Township of West Orange, in the County of Essex, State of New Jersey (the "Township"). For the said improvements or purposes stated in Section 3, there is hereby appropriated the amount of $1,100,000, said amount being inclusive of $53,000 as the amount of down payment for said improvements or purposes as required by the Local Bond Law, N.J.S.A. §40A:2-1 et seq. In the event, however, that any amount so contributed or granted by the United States of America, the State of New Jersey, and/or the County of Essex shall be received by the Township after the issuance of the bonds or notes authorized in Section 2 hereof, then such funds shall be applied to the payment of the bonds or notes so issued and shall be used for no other purpose. This Section 4 shall not apply, however, with respect to any contribution or grant in aid received by the Township as a result of using funds from this bond ordinance as "matching local funds" to receive such contribution or grant in aid.

SECTION 8. The full faith and credit of the Township are hereby pledged to the punctual payment of the principal of and the interest on the bonds or notes authorized by this bond ordinance. The bonds and notes authorized in this bond ordinance shall be direct, unlimited obligations of the Township and, unless paid from other sources, the Township shall be obligated to levy *ad valorem* taxes upon all the taxable property within the Township for the payment of the principal of the bonds or notes and the interest thereon without limitation as to rate or amount.

SECTION 9. The Township reasonably expects to reimburse any expenditures toward the costs of the improvements or purposes described in Section 3

Re: Stop Sign Evaluation
Parkside Avenue and Calvin Terrace
West Orange Township, Essex County, New Jersey

Dear Ms. Carballo:

T&M Associates has been tasked by the Township of West Orange to perform an evaluation of the existing traffic controls at the intersection of Parkside Avenue and Calvin Terrace to assess the safety conditions at the intersection and determine the appropriate location for 'stop' control consistent with the 11th Edition of the Manual on Uniform Traffic Control Devices (MUTCD). This letter report represents our findings:

Existing Conditions

Field investigations were conducted by T&M to obtain an inventory of existing roadway conditions, traffic control, adjacent land uses and lane configurations. The following is a brief description of the roadways involved:

Parkside Avenue

Parkside Avenue is a local roadway with a general east-west orientation under the jurisdiction of West Orange Township and spans approximately 250 feet from Calvin Terrace to Valley Way. There are no posted speed limit signs on Parkside Avenue – the speed limit is assumed to be 25 mph, consistent with the statutory speed limit established for New Jersey via Title 39 for residential streets. The roadway is approximately 24 feet wide and accommodates two-way traffic and parking on both sides. Other than crosswalk, double yellow, and stop bar striping at the intersection of Parkside Avenue & Valley Way, no pavement markings are present on the roadway. Land uses along Parkside Avenue are residential in nature.

Calvin Terrace

Calvin Terrace is a roadway with a general north/south orientation under the jurisdiction of West Orange Township and spans approximately 700 feet from Eagle Rock Avenue (CR 611). There are no posted speed limit signs on Calvin Terrace – the speed limit is assumed to be 25 mph, consistent with the statutory speed limit established for New Jersey via Title 39 for residential streets. The roadway is approximately 30 feet wide and accommodates two-way traffic and parking on both sides. Other than crosswalk, double yellow, and stop bar striping at the intersection of Calvin Terrace & Eagle Rock Avenue (CR 611), no pavement markings are present on the roadway. Land uses along Calvin Terrace are residential in nature.

The intersection of Parkside Avenue and Calvin Terrace is uncontrolled 'T' style intersection. Pavement markings are not present at the intersection, however the intersection functions as a single approach lane in each direction. The intersection location is depicted in **Figure 1** below.

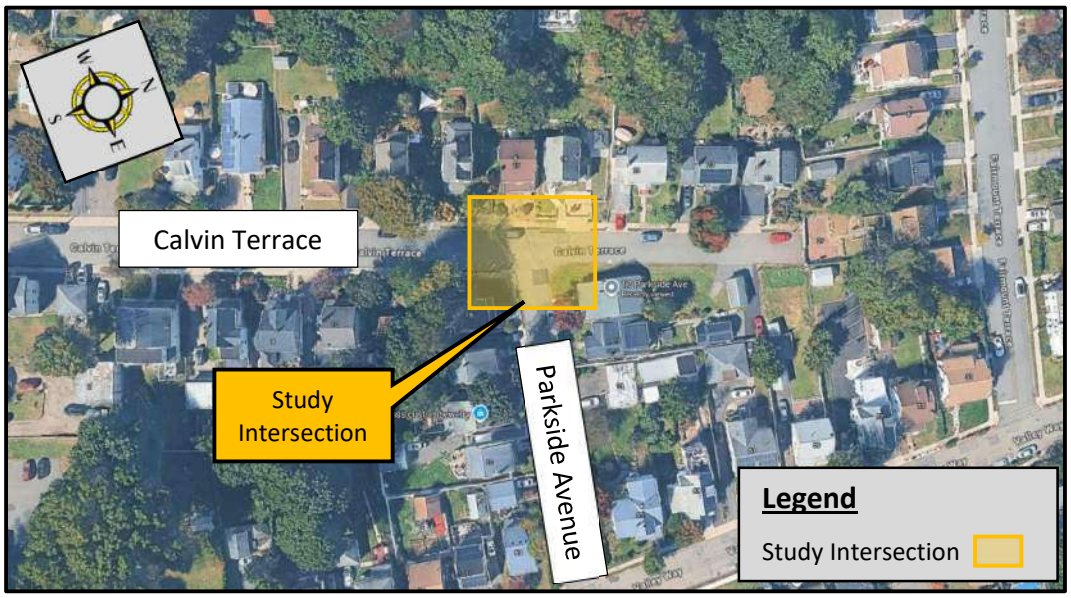

Figure 1: Study Intersection Location Map

Data Collection

Crash History

The New Jersey Department of Transportation's Numetrics based crash database was consulted to review the existing crash history at the intersection. The crash history from January 1, 2019 to August 1, 2026 is shown in **Table 1** below:

DATE	STREET	CROSS STREET	TYPE	CIRCUMSTANCE
12/21/19	Calvin Terrace	Parkside Avenue	Struck Parked Vehicle	Driver Inattention
12/7/24	Calvin Terrace	Parkside Avenue	Fixed Object	Unsafe Speed

Based upon the crash data provided, we observe that two (2) incidents were reported at the study intersection on 12/21/19 and 12/7/24. The incident on 12/21/19 was contributed to driver inattention and the incident on 12/7/24 was contributed to speeding.

Field Observations

T&M conducted a field investigation on September 10, 2026 to determine existing conditions, existing traffic control and note any significant issues that may influence the location of any proposed traffic control. The intersection is currently uncontrolled and sight lines are generally clear. A photo of the intersection is provided below in **Figure 2**.

Figure 2: Calvin Terrace & Parkside Avenue

Analysis and Recommendations

It is our recommendation that stop control be implemented along the westbound, Parkside Avenue approach consistent with **Figure 3** below. The installation of a stop sign at the head of the T intersection is consistent with driver expectation and proper sight lines are present.

Figure 3: Calvin Terrace & Parkside Avenue STOP Sign Installation

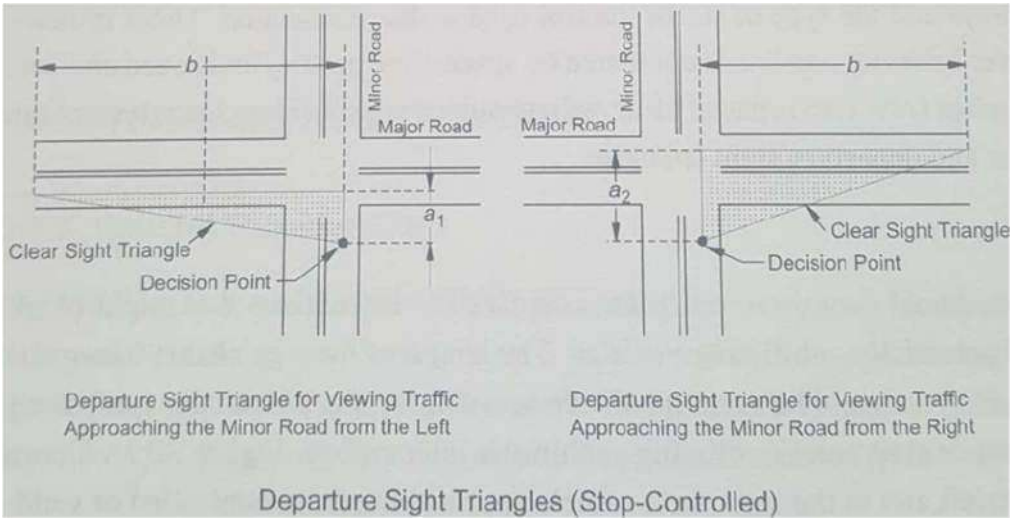

Figure 4: Intersection Sight Distance

After the installation of stop control, we recommend the intersection be monitored to determine if supplemental traffic control devices are necessary such as a stop bar or double yellow line or if intersection sight distances should be improved.

Conclusions

It is our recommendation, based on our review of the data presented herewith, and the guidance from the MUTCD and Title 39, that the Township of West Orange should implement stop control on the westbound, Parkside Avenue approach at the intersection of Parkside Avenue and Calvin Terrace. The intersection should be monitored after installation to determine if additional signing or striping is necessary.

If you have any questions or require any additional information regarding this intersection, please feel free to contact this office at 973-859-5330.

T&M Associates has been tasked by the Township of West Orange to perform an evaluation of the existing traffic controls at the intersection of Carolina Avenue & Shelley Terrace to assess the safety conditions at the intersection and determine the appropriate location for 'stop' control consistent with the 11th Edition of the Manual on Uniform Traffic Control Devices (MUTCD). This letter report represents our findings:

Existing Conditions

Field investigations were conducted by T&M to obtain an inventory of existing roadway conditions, traffic control, adjacent land uses and lane configurations. The following is a brief description of the roadways involved:

Carolina Avenue

Carolina Avenue is a local roadway with a general north/south orientation under the jurisdiction of West Orange Township and spans approximately 1,100 feet from Shelley Terrace to NJ Route 10. There are no posted speed limit signs on Carolina Avenue – the speed limit is assumed to be 25 mph, consistent with the statutory speed limit established for New Jersey via Title 39 for residential streets. The roadway is approximately 30 feet wide and accommodates two-way traffic and parking on both sides. Crosswalk, double yellow, and stop bar striping are present at various locations on the roadway. Land uses along Carolina Avenue are residential in nature.

Shelley Terrace

Shelley Terrace is a local roadway with a general east/west orientation under the jurisdiction of West Orange Township and spans approximately 1,000 feet from Roosevelt Avenue. There are no posted speed limit signs on Shelley Terrace – the speed limit is assumed to be 25 mph, consistent with the statutory speed limit established for New Jersey via Title 39 for residential streets. The roadway is approximately 30 feet wide and accommodates two-way traffic and parking on both sides. Crosswalk, double yellow, and stop bar striping are present at various locations on the roadway. Land uses along Shelley Terrace are residential in nature.

The intersection of Carolina Avenue & Shelley Terrace is uncontrolled 'T' style intersection. Other than the crosswalk striping across Carolina Avenue, no pavement markings are present at the intersection. However, the intersection functions as a single approach lane in each direction. The intersection location is depicted in **Figure 1** below.

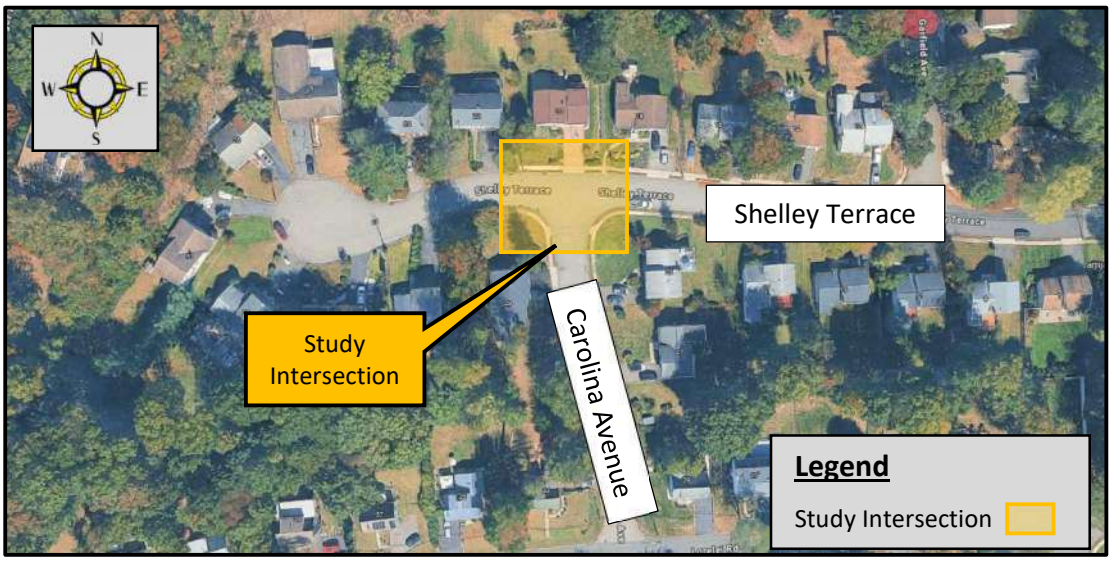

Figure 1: Study Intersection Location Map

Data Collection

Crash History

The New Jersey Department of Transportation's Numetrics based crash database was consulted to review the existing crash history at the intersection. Based on the Numetrics database, there have been no vehicular crashes at the intersection of Carolina Avenue & Shelley Terrace from January 1, 2019 to August 1, 2026.

Field Observations

T&M conducted a field investigation on September 10, 2026 to determine existing conditions, existing traffic control and note any significant issues that may influence the location of any proposed traffic control. The intersection is currently uncontrolled and sight lines are generally clear. A photo of the intersection is provided below in **Figure 2**.

Figure 2: Shelley Terrace & Carolina Avenue

Analysis and Recommendations

It is our recommendation that stop control be implemented along the northbound, Carolina Avenue approach consistent with **Figure 3** below. The installation of a stop sign at the head of the T intersection is consistent with driver expectation and proper sight lines are present.

Figure 3: Shelley Terrace & Carolina Avenue STOP Sign Installation

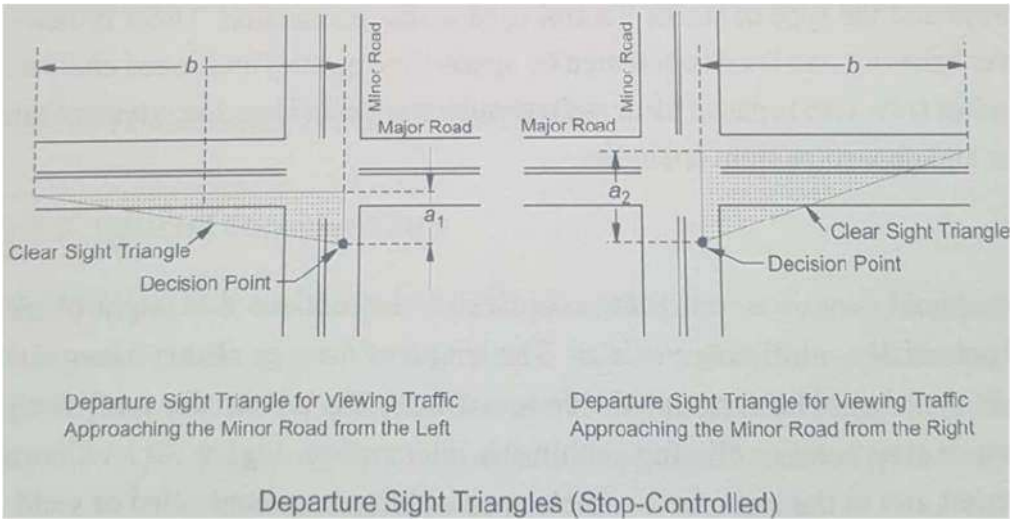

Figure 4: Intersection Sight Distance

After the installation of stop control, we recommend the intersection be monitored to determine if supplemental traffic control devices are necessary such as a stop bar or double yellow line or if intersection sight distances should be improved.

Conclusions

It is our recommendation, based on our review of the data presented herewith, and the guidance from the MUTCD and Title 39, that the Township of West Orange should implement stop control on the northbound, Carolina Avenue approach at the intersection of Carolina Avenue & Shelley Terrace. The intersection should be monitored after installation to determine if additional signing or striping is necessary.

Re: Stop Sign Evaluation
Westover Terrace and Hunterdon Road
West Orange Township, Essex County, New Jersey

Dear Ms. Carballo:

T&M Associates has been tasked by the Township of West Orange to perform an evaluation of the existing traffic controls at the intersection of Westover Terrace and Hunterdon Road to assess the safety conditions at the intersection and determine the appropriate location for 'stop' control consistent with the 11th Edition of the Manual on Uniform Traffic Control Devices (MUTCD). This letter report represents our findings:

Existing Conditions

Field investigations were conducted by T&M to obtain an inventory of existing roadway conditions, traffic control, adjacent land uses and lane configurations. The following is a brief description of the roadways involved:

Westover Terrace

Westover Terrace is a local roadway with a general east-west orientation under the jurisdiction of West Orange Township and spans approximately 900 feet from Merkin Avenue to Crestmont Road. There are no posted speed limit signs on Westover Terrace – the speed limit is assumed to be 25 mph, consistent with the statutory speed limit established for New Jersey via Title 39 for residential streets. The roadway is approximately 30 feet wide and accommodates two-way traffic and parking on both sides. No pavement markings are present on the roadway. Land uses along Westover Terrace are residential in nature.

Hunterdon Road

Hunterdon Road is a local roadway with a general north/south orientation under the jurisdiction of West Orange Township and spans approximately 1,900 feet from Warren Road to Westover Terrace. There are no posted speed limit signs on Hunterdon Road – the speed limit is assumed to be 25 mph, consistent with the statutory speed limit established for New Jersey via Title 39 for residential streets. The roadway is approximately 30 feet wide and accommodates two-way traffic and parking on both sides. No pavement markings are present on the roadway. Land uses along Hunterdon Road are residential in nature.

The intersection of Westover Terrace and Hunterdon Road is uncontrolled 'T' style intersection. A stop bar and double yellow striping are present on the Westover Terrace approach to the intersection and the intersection functions as a single approach lane in each direction. The intersection location is depicted in **Figure 1** below.

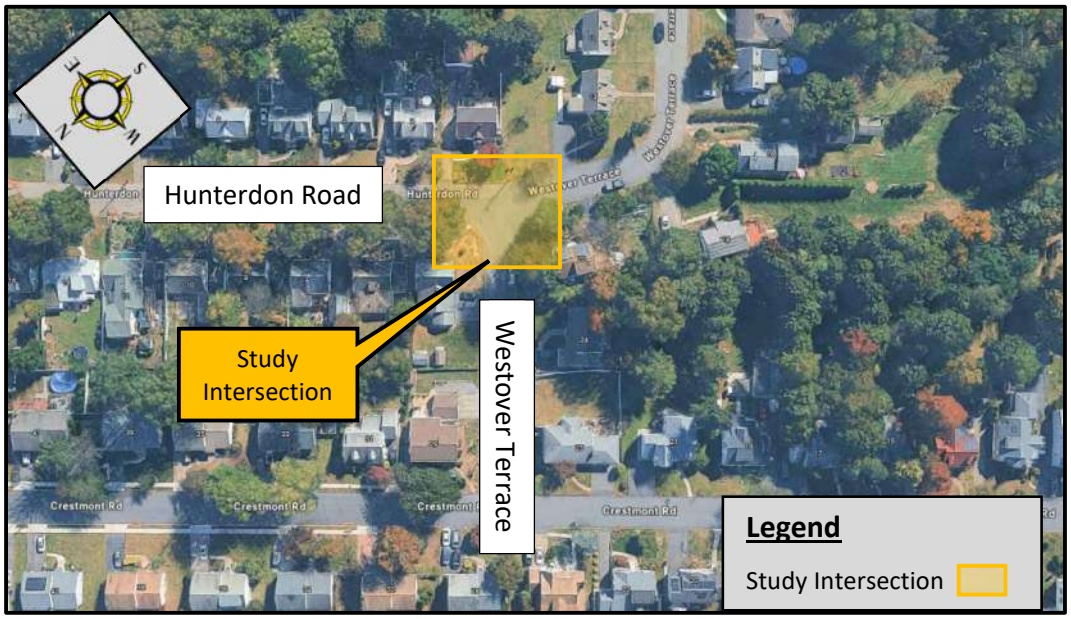

Figure 1: Study Intersection Location Map

Data Collection

Crash History

The New Jersey Department of Transportation's Numetrics based crash database was consulted to review the existing crash history at the intersection. The crash history from January 1, 2019 to August 1, 2026 is shown in **Table 1** below:

DATE	STREET	CROSS STREET	TYPE	CIRCUMSTANCE
7/10/19	Hunterdon Road	Westover Terrace	Struck Parked Vehicle	Backing Unsafely

Based upon the crash data provided, we observe that one (1) incident was reported at the study intersection on 7/10/19. The incident was not contributed to speeding but backing unsafely.

Field Observations

T&M conducted a field investigation on September 10, 2026 to determine existing conditions, existing traffic control and note any significant issues that may influence the location of any proposed traffic control. The intersection is currently uncontrolled and sight lines are obstructed due to overgrown foliage. A photo of the intersection is provided below in **Figure 2.**

Figure 2: Hunterdon Road & Westover Terrace

Analysis and Recommendations

It is our recommendation that stop control be implemented along the eastbound, Westover Terrace approach consistent with **Figure 3** below. The installation of a stop sign at the head of the T intersection is consistent with driver expectation.

Figure 3: Hunterdon Road & Westover Terrace STOP Sign Installation

Sight Distance Improvements - At the intersection of Westover Terrace and Hunterdon Road, the line of sight of approaching vehicles was found to be obstructed. We observed that if vehicles stop closer to the mainline on Hunterdon Road, then they would have clear visibility of the traffic conditions at the intersection and would be able to safely make a turn onto Hunterdon Road.

It is our opinion that sight distance at the intersection can be improved by trimming trees and overgrown foliage within the sight triangles. We recommend that the Township coordinate with residents, as reasonable, to remove sight obstructions consistent with **Figure 4** below.

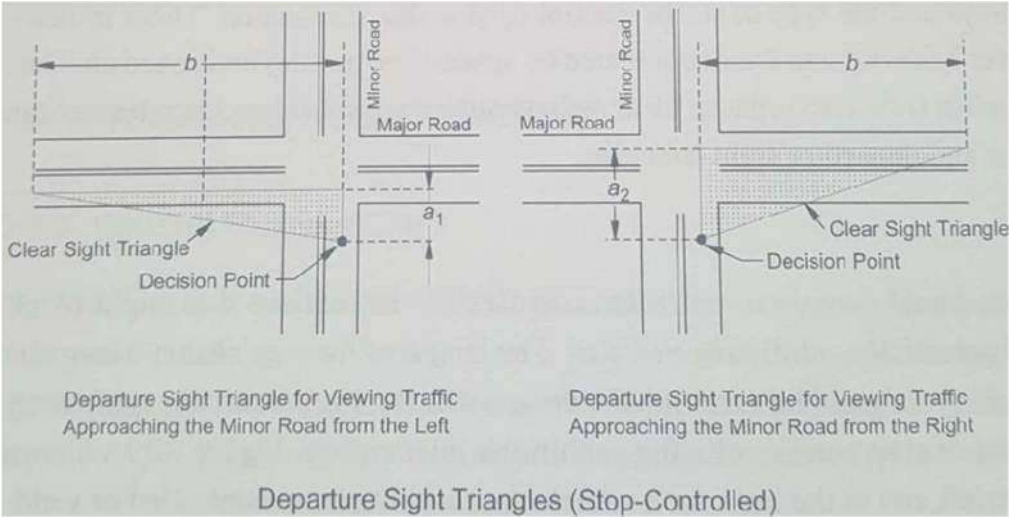

Figure 4: Intersection Sight Distance

Conclusions

It is our recommendation, based on our review of the data presented herewith, and the guidance from the MUTCD and Title 39, that the Township of West Orange should implement stop control on the eastbound, Westover Terrace approach at the intersection of Westover Terrace and Hunterdon Road. The intersection should be monitored after installation to determine if additional signing or striping is necessary.

If you have any questions or require any additional information regarding this intersection, please feel free to contact this office at 973-859-5330.

Data Collection

Crash History

The New Jersey Department of Transportation's Numetrics based crash database was consulted to review the existing crash history at the intersection. Based on the Numetrics database, there have been no vehicular crashes at the intersection of Garfield Avenue and Shelley Terrace from January 1, 2019 to August 1, 2026.

Field Observations

T&M conducted a field investigation on September 10, 2026 to determine existing conditions, existing traffic control and note any significant issues that may influence the location of any proposed traffic control. The intersection is currently uncontrolled and sight lines are obstructed due to overgrown foliage. A photo of the intersection is provided below in **Figure 2.**

Figure 2: Shelley Terrace & Garfield Avenue

Analysis and Recommendations

It is our recommendation that stop control be implemented along the southbound, Garfield Avenue approach at the study intersection. Treatments which can be considered include but are not limited to:

Sight Distance Improvements - At the intersection of Garfield Avenue and Shelley Terrace, the line of sight of approaching vehicles was found to be obstructed. We observed that if vehicles stop closer to the mainline on Shelley Terrace, then they would have clear visibility of the traffic conditions at the intersection and would be able to safely make a turn onto Shelley Terrace.

It is our opinion that sight distance at the intersection can be improved by trimming trees and overgrown foliage within the sight triangles. We recommend that the Township coordinate with residents, as reasonable, to remove sight obstructions. It is our recommendation that stop control be implemented along the southbound, Garfield Avenue approach consistent with **Figure 3** below. The installation of a stop sign at the head of the T intersection is consistent with driver expectation.

Figure 3: Shelley Terrace & Garfield Avenue STOP Sign Installation

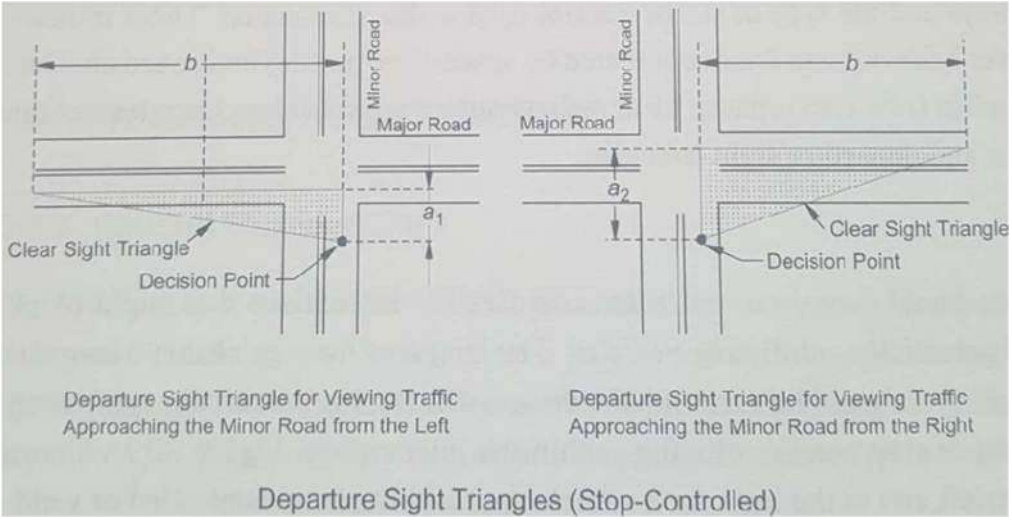

Figure 4: Intersection Sight Distance

After the installation of stop control, we recommend the intersection be monitored to determine if supplemental traffic control devices are necessary such as a stop bar or double yellow line or if intersection sight distances should be improved.

Conclusions

It is our recommendation, based on our review of the data presented herewith, and the guidance from the MUTCD and Title 39, that the Township of West Orange should implement stop control on the southbound, Garfield Avenue approach at the intersection of Garfield Avenue and Shelley Terrace. The intersection should be monitored after installation to determine if additional signing or striping is necessary.

The intersection of Westwood Drive South and Carolina Avenue is uncontrolled 'T' style intersection. Pavement markings are not present at the intersection, however the intersection functions as a single approach lane in each direction. The intersection location is depicted in **Figure 1** below.

Data Collection

Crash History

The New Jersey Department of Transportation's Numetrics based crash database was consulted to review the existing crash history at the intersection. The crash history from January 1, 2019 to August 1, 2026 is shown in **Table 1** below:

DATE	STREET	CROSS STREET	TYPE	CIRCUMSTANCE
5/12/24	Carolina Avenue	Westwood Drive South	Fixed Object	Driver Inattention
3/15/26	Carolina Avenue	Westwood Drive South	Struck Parked Vehicle	Driver Inattention
5/21/26	Carolina Avenue	Westwood Drive South	Fixed Object	Brake Failure

Based upon the crash data provided, we observe that three (3) incidents was reported at the study intersection. The incidents which occurred on 5/12/24 and 3/15/26 was not contributed to speeding but driver inattention. The incident which occurred on 5/21/26 was not contributed to speeding but brake failure.

Field Observations

T&M conducted a field investigation on September 10, 2026 to determine existing conditions, existing traffic control and note any significant issues that may influence the location of any proposed traffic control. The intersection is currently uncontrolled and sight lines are generally clear. A photo of the intersection is provided below in **Figure 2**.

Figure 2: Carolina Avenue & Westwood Drive South

Analysis and Recommendations

It is our recommendation that stop control be implemented along the eastbound, Westwood Drive South approach consistent with **Figure 3** below. The installation of a stop sign at the head of the T intersection is consistent with driver expectation and proper sight lines are present.

Figure 3: Carolina Avenue & Westwood Drive South STOP Sign Installation

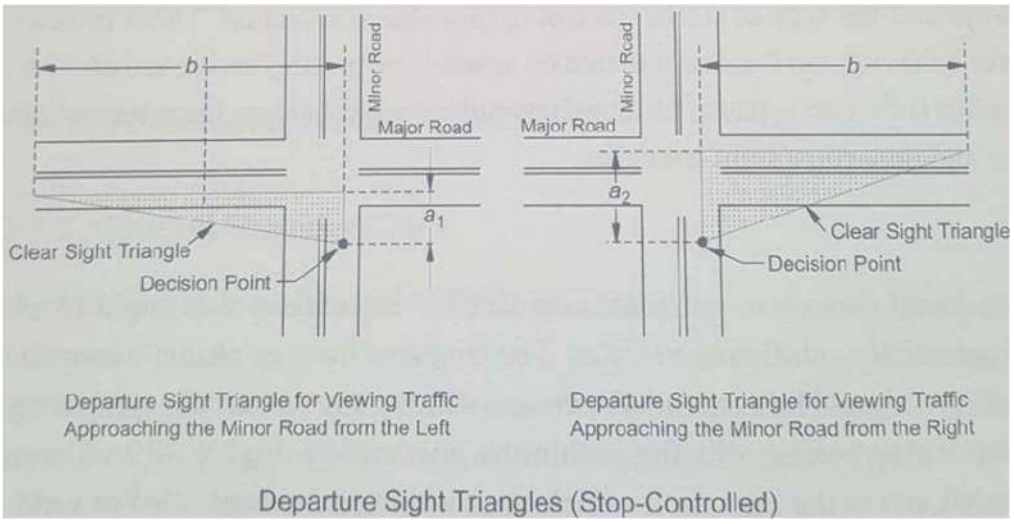

Figure 4: Intersection Sight Distance

After the installation of stop control, we recommend the intersection be monitored to determine if supplemental traffic control devices are necessary such as a stop bar or double yellow line or if intersection sight distances should be improved.

Conclusions

It is our recommendation, based on our review of the data presented herewith, and the guidance from the MUTCD and Title 39, that the Township of West Orange should implement stop control on the eastbound, Westwood Drive South approach at the intersection of Westwood Drive South and Carolina Avenue. The intersection should be monitored after installation to determine if additional signing or striping is necessary.

If you have any questions or require any additional information regarding this intersection, please feel free to contact this office at 973-859-5330.

LEGISLATIVE HISTORY

This Ordinance amends and supplements Chapter 7 Traffic. The Property Management company from 300 Main Street has requested that we provide a No Parking Zone adjacent to their property to facilitate refuse and recycling pickup. Accordingly, we have moved an existing General Handicapped Parking stall, and created a No Parking Zone limited to garbage and recycling pickup times twice a week. At all other times parking will be available to any local resident.

Additionally, Restricted Parking Stalls will be established in front of 108 Watson Avenue, and 150 Chestnut Street for the exclusive use of the residents who are in possession of a NJMVC Disability ID and Parking Placard. These Stalls were requested by the residents of each location and are permissible under NJ Statutes Annotated (N.J.S.A.) 39:4-197.7. Parking is permitted in the restricted parking zone except when prohibited by other sections of Chapter 7 of the Revised General Ordinances. A Restricted Parking Stall once assigned to the resident of 8 Elm Street will be removed, as the Placard holder no longer resides at this address.

TOWNSHIP OF WEST ORANGE
COUNTY OF ESSEX
STATE OF NEW JERSEY

BOND ORDINANCE NUMBER 3005-26

BOND ORDINANCE PROVIDING FOR VARIOUS ROADWAY IMPROVEMENTS, BY AND IN THE TOWNSHIP OF WEST ORANGE, IN THE COUNTY OF ESSEX, STATE OF NEW JERSEY, APPROPRIATING $1,320,000 THEREFOR AND AUTHORIZING THE ISSUANCE OF $1,254,000 BONDS OR NOTES OF THE TOWNSHIP TO FINANCE PART OF THE COST THEREOF

BE IT ORDAINED AND ENACTED BY THE TOWNSHIP COUNCIL OF THE TOWNSHIP OF WEST ORANGE, IN THE COUNTY OF ESSEX, STATE OF NEW JERSEY (not less than two-thirds of all the members thereof affirmatively concurring)**, AS FOLLOWS:**

SECTION 1. The improvements or purposes described in Section 3 of this bond ordinance are hereby authorized as general improvements or purposes to be undertaken by the Township of West Orange, in the County of Essex, State of New Jersey (the "Township"). For the said improvements or purposes stated in Section 3 hereof, there is hereby appropriated the principal amount of $1,320,000, which amount includes a down payment in the principal amount of $66,000 for said improvements or purposes as required by the Local Bond Law of the State of New Jersey, as amended and supplemented (N.J.S.A. §40A:2-1 et seq.) (the "Local Bond Law"), which down payment is now available from the Township's Capital Improvement Fund by virtue of a provision or provisions in a previously adopted budget or budgets of the Township for down payment or capital improvement purposes.

SECTION 2. For the financing of said improvements or purposes described in Section 3 hereof and to meet the part of said $1,320,000 appropriation not

provided for by said down payment referred to in Section 1 hereof, negotiable bonds of the Township are hereby authorized to be issued in the principal amount of $1,254,000 pursuant to, and within the limitations prescribed by, the Local Bond Law. In anticipation of the issuance of said bonds and to temporarily finance said improvements or purposes, negotiable notes of the Township in a principal amount not exceeding $1,254,000 are hereby authorized to be issued pursuant to, and within the limitations prescribed by, said Local Bond Law.

SECTION 3. (a) The improvements hereby authorized and purposes for the financing of which said debt obligations are to be issued include, but are not limited to, Phase I of improvements and repairs to the entire lengths or portions of, as applicable, Maple Avenue, Korwel Circle, Korwel Court, Glenview Drive, Beacon Place, Herbert Terrace and Hillside Terrace, including, but not limited to, as applicable, milling, paving, storm drain installation, curbs, sidewalks, ADA compliant ramps, and driveway aprons.

(b) The improvements and purposes set forth in Section 3(a) above shall also include, as applicable, all engineering and design work, surveying, construction management services, construction planning, preparation of plans and specifications, permits, bid documents, construction inspection and contract administration, environmental testing and remediation, and all work, materials, equipment, labor and appurtenances necessary therefor or incidental thereto.

(c) The estimated maximum amount of bonds or notes to be issued by the Township for said improvements and purposes is $1,254,000.

(d) The estimated cost of said improvements and purposes to the Township is $1,320,000, the excess amount thereof over the estimated maximum amount of bonds or notes to be issued therefor being the down payment in the principal amount of

$66,000, which amount is now available for said improvements and purposes from the Township's Capital Improvement Fund.

SECTION 4. In the event the United States of America, the State of New Jersey, and/or the County of Essex make a contribution or grant in aid to the Township for the improvements and purposes authorized hereby and the same shall be received by the Township prior to the issuance of the bonds or notes authorized in Section 2 hereof, then the amount of such bonds or notes to be issued shall be reduced by the amount so received from the United States of America, the State of New Jersey, and/or the County of Essex. In the event that any amount so contributed or granted by the United States of America, the State of New Jersey, and/or the County of Essex shall be received by the Township after the issuance of the bonds or notes authorized in Section 2 hereof, then such funds shall be applied to the payment of the bonds or notes so issued and shall be used for no other purpose. This Section 4 shall not apply, however, with respect to any contribution or grant in aid received by the Township as a result of using funds from this bond ordinance as "matching local funds" to receive such contribution or grant in aid.

SECTION 5. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the Chief Financial Officer of the Township (the "Chief Financial Officer"), provided that no note shall mature later than one (1) year from its date. The notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer shall determine all matters in connection with the notes issued pursuant to this bond ordinance, and the signature of the Chief Financial Officer upon the notes shall be conclusive evidence as to all such determinations. BE IT ORDAINED AND ENACTED BY THE TOWNSHIP COUNCIL OF THE TOWNSHIP OF WEST ORANGE, IN THE COUNTY OF ESSEX, STATE OF NEW JERSEY (not less than two-thirds of all the members thereof affirmatively concurring)**, AS FOLLOWS:**

SECTION 1. The improvements or purposes described in Section 3 of this bond ordinance are hereby authorized as general improvements or purposes to be undertaken by the Township of West Orange, in the County of Essex, State of New Jersey (the "Township"). For the said improvements or purposes stated in Section 3 hereof, there is hereby appropriated the principal amount of $1,650,000, which amount includes a down payment in the principal amount of $82,500 for said improvements or purposes as required by the Local Bond Law of the State of New Jersey, as amended and supplemented (N.J.S.A. §40A:2-1 et seq.) SECTION 2. For the financing of said improvements or purposes described in Section 3 hereof and to meet the part of said $1,650,000 appropriation not provided for by said down payment referred to in Section 1 hereof, negotiable bonds of the Township are hereby authorized to be issued in the principal amount of $1,567,500 pursuant to, and within the limitations prescribed by, the Local Bond Law. SECTION 4. In the event the United States of America, the State of New Jersey, and/or the County of Essex make a contribution or grant in aid to the Township for the improvements and purposes authorized hereby and the same shall be received by the Township prior to the issuance of the bonds or notes authorized in Section 2 hereof, then the amount of such bonds or notes to be issued shall be reduced by the amount so received from the United States of America, the State of New Jersey, and/or the County of Essex. The improvements or purposes described in Section 3 of this bond ordinance are hereby authorized as general improvements or purposes to be undertaken by the Township of West Orange, in the County of Essex, State of New Jersey (the "Township"). For the said improvements or purposes stated in Section 3 hereof, there is hereby appropriated the aggregate principal amount of $420,000, which amount includes a down payment in the aggregate principal amount of $21,000 for said improvements or purposes as required by the Local Bond Law of the State of New Jersey, as amended and supplemented (N.J.S.A. §40A:2-1 et seq.) (the "Local Bond Law"), which down payment is now available from the Township's Capital Improvement Fund by virtue of a provision or provisions in a previously adopted budget or budgets of the Township for down payment or capital improvement purposes.

SECTION 2. For the financing of said improvements or purposes described in Section 3 hereof and to meet the part of said $420,000 appropriation not provided for by said down payment referred to in Section 1 hereof, negotiable bonds of the Township are hereby authorized to be issued in the aggregate principal amount of $399,000 pursuant to, and within the limitations prescribed by, the Local Bond Law. In anticipation of the issuance of said bonds and to temporarily finance said improvements or purposes, negotiable notes of the Township in an aggregate principal amount not exceeding $399,000 are hereby authorized to be issued pursuant to, and within the limitations prescribed by, said Local Bond Law.

SECTION 4. In the event the United States of America, the State of New Jersey, and/or the County of Essex make a contribution or grant in aid to the Township for the improvements and purposes authorized hereby and the same shall be received by the Township prior to the issuance of the bonds or notes authorized in Section 2 hereof, then the amount of such bonds or notes to be issued shall be reduced by the amount so received from the United States of America, the State of New Jersey, and/or the County of Essex. SECTION 5. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the Chief Financial Officer of the Township (the "Chief Financial Officer"), provided that no note shall mature later than one (1) year from its date. All notes issued hereunder may be renewed from time to time in accordance with the provisions of N.J.S.A. § 40A:2-8.1 of the Local Bond Law. The Chief Financial Officer is hereby authorized to sell part or all of the notes from time to time at a public or private sale and to deliver them to the purchaser thereof upon receipt of payment of the purchase price and accrued interest thereon from their dates to the date of delivery thereof. The Chief Financial Officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of the notes pursuant to this bond ordinance is made. Such report must include the principal amount, the description, the interest rate, the maturity schedule of the notes so sold, the price obtained and the name of the purchaser.

SECTION 6. The Township hereby certifies that it has adopted a capital budget or a temporary capital budget of the Township, as applicable. SECTION 7. The following additional matters are hereby determined, declared, recited and stated:

(b) The average period of usefulness of said improvements or purposes, computed on the basis of the respective amounts of obligations authorized for each purpose and the reasonable life thereof in accordance with the limitations set forth in the Local Bond Law, is five (5) years.

(c) The supplemental debt statement required by the Local Bond Law has been duly made and filed in the Office of the Clerk of the Township and a complete executed duplicate thereof has been filed in the Office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey, and such statement shows that the gross debt of the Township as defined in the Local Bond Law is increased by the authorization of the bonds or notes provided for in this bond ordinance by $399,000. The obligations authorized by this bond ordinance will be within all debt limitations prescribed by said Local Bond Law.

(d) No items of expense are listed in and permitted under N.J.S.A. § 40A:2-20 of the Local Bond Law and are not included in the estimated cost indicated herein for the improvements or purposes hereinbefore described.

SECTION 8. The full faith and credit of the Township are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Township and, unless paid from other sources, the Township shall be obligated to levy *ad valorem*

taxes upon all the taxable property within the Township for the payment of the principal of the obligations and the interest thereon without limitation as to rate or amount.

SECTION 9. The Township reasonably expects to reimburse any expenditures toward the costs of the improvements or purposes described in Section 3 hereof and paid prior to the issuance of any bonds or notes authorized by this bond ordinance with the proceeds of such bonds or notes. This Section 9 is intended to be and hereby is a declaration of the Township's official intent to reimburse any expenditure toward the costs of the improvements or purposes described in Section 3 hereof to be incurred and paid prior to the issuance of bonds or notes authorized herein in accordance with Treasury Regulation Section 1.150-2.

SECTION 10. The Township covenants to maintain the exclusion from gross income under Section 103(a) of the Internal Revenue Code of 1986, as amended, of the interest on all bonds and notes issued on a tax-exempt basis under this bond ordinance.

SECTION 11. The Chief Financial Officer is hereby authorized to prepare and to update from time to time as necessary a financial disclosure document to be distributed in connection with the sale of the obligations of the Township, which are authorized herein, and to execute such disclosure document on behalf of the Township. The Chief Financial Officer is further authorized to enter into the appropriate undertaking to provide secondary market disclosure on behalf of the Township pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") for the benefit of holders and beneficial owners of the obligations of the Township, which are authorized herein, and to amend such undertaking from time to time in connection with any change in law, or interpretation thereof, provided such undertaking is and continues to be, in the opinion of a nationally recognized bond counsel, consistent with the requirements of the Rule. In the event that the Township fails to comply with its undertaking, the Township shall not be liable

for any monetary damages, and the remedy shall be limited to specific performance of the undertaking.

SECTION 12. This bond ordinance shall take effect twenty (20) days after the first publication of the notice of final adoption of this bond ordinance, as provided by the Local Bond Law.
